NATURE OF COMPLAINT: Pollution at tank facility

FILE REVIEW: August 28, 1995 **BY:** Fermin Munoz, Jr.
September 6, 1995 Fermin Munoz, Jr.

RESULTS: This office has learned that the National Park Service has authorized the operator to begin clean up operations. However according to the operator they can not begin until the Master Service Agreement between them and their primary contractor is successfully negotiated.

COMMISSION ACTION: This office request that the operator make all possible efforts to implement the site characterization plan as soon as feasibly possible. The operator is requested to ensure that the District Office of the Railroad Commission be notified prior to commencing any work on this project.

FOLLOW UP: A file review and inspection is scheduled for the week of October 9, 1995. An update on this complaint will be prepared for receipt in Austin on October 20, 1995.
