Soil Survey Geographic (SSURGO)

National Capital Parks - East, District of Columbia

National Park Service
U.S. Department of the Interior

Inventory & Monitoring Program
Soil Resource Inventory

Extent of this dataset is larger than National Captial Parks - East.
Entire soil survey areas - dc001, md003, md017, and md033 - are included to provide adequate coverage of the park, resulting in a dataset that is significantly larger than the park itself.
