Subject: Re: DM A3 Notice of Operations

Paul,

Thanks for the update. The workover is considered part of the old Vector Plan of Operations that was adopted by BNP and therefore appropriate. We need to complete updated compliance in the same manner as the workover for A8 two years ago since the original compliance is over 10 years old. This should take about 3-4 days and be completed by next Friday. We will send a copy of the "Memo-to-File" once we complete it. Also, is the deepened bottom hole in the same tract and lease as the original bottom hole?

Thanks again,
Darrell
