9. STATUTORY AUTHORITY

ECL 11-0515 (1), 6 NYCRR PART 175

10. CONDITIONS

- A. The licensee and/or his designated agent(s) are authorized to collect, by hand, and possess herring gull and great black-backed gull eggs from up to 150 nests located at the Breezy Point tip area of the Rockaway Peninsula part of Gateway National Recreation Area, as provided and authorized under Federal Permit, to discourage herring and great black-backed gull nesting in the piping plover/least tern colony.
- B. The licensee and/or his designated agent(s) are authorized to retain gull eggs if further studies are required, as provided and authorized under Federal Permit.
- C. The licensee shall file with the department on or before February 1 a report of his and his designated agent(s) operations during the preceding calendar year.
- D. The licensee must submit a written request for renewal of this license, to the NYS DEC Special Licenses Unit, 50 Wolf Road, Albany, New York 12233-4752, within the month prior to the expiration date of this license. The written request must include the licensees correct address.
- E. This license is deemed expired on the date of expiration listed above, unless otherwise notified by the department.

NOTE: The licensee is authorized to designate as agent(s) pursuant to this license up to six (6) seasonal employees of the Gateway NRA.

GENERAL CONDITIONS ON REVERSE SIDE APPLY

ORIGINAL

GENERAL CONDITIONS

1. The validity of this license is conditioned upon strict compliance with all applicable Federal, State and Local laws and regulations.
2. No wildlife may be possessed, transported or sold contrary to the terms of any statute, or order, permit or license of the department, pursuant to which it was taken or acquired.
3. The department may revoke any license, of any person, issued pursuant to any provision of the Fish and Wildlife Law if that person is convicted of any violation of the Fish and Wildlife Law or effects a settlement by civil compromise or by stipulation.
4. All activities authorized herein must be carried out in accord with and for the purposes described in the licensee's application.
5. Failure to adhere to the conditions of this license shall be sufficient grounds for revocation of this license.
6. By acceptance of this permit, the permittee agrees that the permit is contingent upon strict compliance with the ECL, all applicable regulations and the conditions specified herein or attached hereto.
