Cumberland Gap National Historical Park

Name of Park or Area Historical Park

Section of Park or Area

Legal Description: PARCEL NO. I. Beginning at the precise location of the U. S. G. S. Triangulation Station Pinnacle (now destroyed), the position of said triangulation station in terms of the Tennessee Plane Coordinate system is: Y equals 813,955.58 Y equals 2,685,155.95 runs thence with the crest of the Cumberland Mountains the same being the State line between Kentucky and Virginia- 88 courses as follows:

Station	Bearing	Y	X
Pinnacle	N 34-55 E	42.55	813,955.58
IV 2	N 20-16 E	225.19	813,955.58
IV 1	N 42-41 E	221.99	813,955.58

(continued on back of sheet)

Method of Acquisition: Donation

Appropriation or Source of funds:

Estimated value:

Acquired from: Commonwealth of Virginia by deed dated December 1, 1933. Recorded in Deed Book 146, page 499

Accepted by Secretary (S) Opinion of Att'y. Gen.-title in U. S. (S) date: February 3, 1934

Physical Characteristics: The area is characterized by a steep escarpment with overhanging cliffs rising 900 to 2,000 ft. above the adjacent valley. The crest of the mountain throughout its extent is markedly level except where depressed by a number of wind gaps. The lowest elevation is approximately 1,200 ft., the highest about 1,500 ft. Approximately 98% of the area is forested.

Improvements on Land at time of Acquisition:

See sheets 15 and 16.

Existing or outstanding special use permits, reservations, rights, or rights of way: It is expressly understood that this conveyance is made subject to existing easements for roads, highways and public utilities and other rights affecting the lands hereinafter described, the said easements

(continued on page 11)

Report Based on: Deed and related papers

Prepared by: L. FISHER (in part) date: October 1933

PAGE NO. II

Beginning on a stake in the South margin of the right of way of Highway 38 at the Northeast corner of the Brooks-Benny Easement, the position of said corner in terms of the Tennessee Plane Coordinate System is: Y equals 612,454.42 X equals 2,495,651.75 runs thence with the South margin of the said highway right of way South 89° 44' East 746.45 feet to a stake; thence South 6° 18' West 170.00 feet to a stake; thence South 88° 33' West 727.04 feet to a stake in the East boundary of the Brooks-Benny easement; thence North 7° 28' West 838.87 feet to the point of beginning. Containing 3.204 acres, more or less. Bearings herein based on the meridian of the Tennessee Plane Coordinate System.

The above described property is that same property, a part of which was conveyed to the Commonwealth of Virginia by S. Edgar Benny and wife, Nellie Benny by deed dated the 20th day of January 1951, and recorded in the office of the Clerk of Lee County, Virginia, in Deed Book 150 at page 510, and a part of which was acquired by the Commonwealth of Virginia by condemnation in the proceedings entitled Commonwealth of Virginia vs. Malinda R. Owen et al, by judgment dated the sixth day of March 1951, and recorded in the above mentioned clerk's office in Deed Book 150 at page 530.

PAGE NO. III

A scenic Easement on the following described tract of land, which scenic easement confers the right to control the use and development of said land in such manner as will not interfere with the scenic and other Park values to be preserved through the establishment of the Shenandoah Gap National Historical Park, and does hereby grant the following rights, and subjects the said land to the following restrictions and burdens which are to run with the land and be binding upon the present owners, their successors and assigns and legal representatives forever:

(a) No buildings, pole lines or structures shall be erected on such land other than for farm or residential purposes. No new buildings shall be erected, nor shall major alterations to existing buildings be made without first obtaining the written approval of the Director, Virginia Conservation Commission pending establishment of the Park, or the Director, National Park Service, following establishment of the Park. No commercial building, power lines or other industrial or commercial structures shall be erected on such land.

(b) No mature or stable trees or shrubs shall be removed or destroyed on such land without the consent first had and obtained in writing of the respective official named in the preceding paragraph. ~~Provided, however,~~ that seedling trees or seedling shrubbery may be grubbed up or cut down in connection with good farm

Legal Description (cont'd) 1):

Legal Gap Dec 1 No. 1

practice or residential maintenance, and cultivated crops, including orchard fruit, may be pruned, sprayed, harvested, and otherwise maintained in accordance with good farm practice.

(c) No dump of ashes, trash, sand, or any unsightly or offensive material shall be placed upon such land.

(d) No sign, billboard, or advertisement shall be displayed or placed upon such land, except one sign not greater than 18 inches by 84 inches advertising the sale of the property or the products raised upon it.

The said tract of land, upon which a scenic easement is hereby conveyed, lies in the Rose Hill Magisterial District of Lee County, Virginia and is more particularly described as follows: Beginning at a point in the South margin of the right of way of Highway No. 38, the same being Station BV 77 of the Park Boundary, run thence with same South 1° 08' West 400.00 feet to a stake; thence parallel to and approximately 400.00 feet from the South margin of the right of way of Highway No. 38 nine courses as follows: South 88° 22' East 299.35 feet to a stake; thence North 84° 30' East 676.75 feet to a stake; thence South 81° 27' East 471.83 feet to a stake; thence South 77° 40' East 280.48 feet to a stake; thence South 38° 49' East 288.75 feet to a stake; thence South 29° 25' East 730.98 feet to a stake; thence South 39° 32' East 600.62 feet to a stake; thence South 62° 19' East 482.71 feet to a point in the Virginia-Tennessee State Line; thence with same South 66° 19' East 1942.27 feet to a point, the South-East corner of Tract No. 4-2; thence North 0° 18' East 231.20 feet to Station BV 62 B in the Park Boundary; thence South 68° 33' West 727.04 feet to a stake; thence North 9° 20' West 200.87 feet to a stake in the South margin of the right of way of Highway No. 38; thence with same twelve courses as follows: North 89° 42' West 606.68 feet to a stake; thence North 82° 14' West 388.62 feet to a stake; thence North 68° 12' West 80.78 feet to a stake; thence North 60° 19' West 282.15 feet to a stake; thence North 38° 25' West 151.13 feet to a stake; thence North 39° 32' West 477.27 feet to a stake; thence North 29° 44' West 733.66 feet to a stake; thence North 38° 34' West 389.44 feet to a stake; thence North 61° 32' West 417.11 feet to a stake; thence North 79° 00' West 995.21 feet to a stake; thence South 84° 41' West 622.53 feet to a stake; thence North 66° 30' West 302.15 feet to the point of beginning. Containing 48.303 acres. Bearings herein based on the meridian of the Tennessee Plane Coordinate System.

The above described property is that same property upon which the Commonwealth of Virginia acquired a scenic easement by Condemnation Proceedings entitled Commonwealth of Virginia vs. B. L. O'Dell et al. by judgments dated the sixth day of March 1931, and recorded in the office of the Clerk of Lee County in Deed Book 139 at pages 732 to 737 inclusive and designated as Tract Nos. 1-2, 2-2, 3-2 and 4-2.

Existing or outstanding special use permits, reservations, rights, or rights of way (continued)
and rights being identified as follows:

1. The Lease Agreement, dated the 1st day of January 1928, and recorded in the office of the Clerk of Lee County, Virginia in Deed Book 146 at page 594, by which W. F. Baumgardner and Donna Baumgardner his wife, have the use and occupancy of the below described property during their natural lives, or either of them, said property being described as follows: Beginning at a point in the Virginia and Tennessee State line, the position of said point in terms of the Tennessee Plane Coordinate System is: Y equals 812,087.15 X equals 2,684,204.70 run thence North 78° 03' West 67.61 feet to a stake; thence North 14° 32' East 167.36 feet to a corner of the James Farmer tract; thence with the Farmer tract 2 courses as follows: South 82° 13' East 63 feet to a stake; thence South 13° 09' West 175.40 feet to the beginning. Containing 0.258 acres. Bearings herein based on the meridian of the Tennessee Plane Coordinate System.

Cumberland Gap Road No. 1

Existing or outstanding special use permits, reservations, rights, or rights of way (continued):

Being the same land conveyed to the Commonwealth of Virginia by judgment entered in the Circuit Court of Lee County, Virginia, on the 27th day of March 1930 and recorded in the office of the Clerk of Lee County, Virginia in Deed Book 136 at page 390.

2. The right of Mary (Mollie) W. Rose, Willis T. Rose, and Berthenia Rose, to mine and remove coal from the following described tract of land until December 31, 1936, to cut mine props from said tract to be used in the mining operations thereon only and an additional period of six months, or until June 30, 1937, to remove the mining equipment and structure from the tract.

The said tract of land is located on the South side of Cumberland Mountain in the Rose Hill Magisterial District, Lee County, Virginia and is more particularly described as follows: Beginning on Station EV 35 of the Park boundary, the same being the Southeast corner of the John Bailey tract, the position of said corner in terms of the Tennessee Plane Coordinate System is: Y equals 835,451.11 X equals 2,729,306.81 runs thence North 9° 05' W 4055.85 feet to Station KV 141 of the Park boundary, the same being a point on top of the Cumberland Mountain at the Northeast corner of the T. J. Gupp tract; thence with the Park boundary which is also the Kentucky-Virginia State line four courses as follows: North 60° 16' East 995.32 feet to a stake; thence North 30° 00' East 505.00 feet to a stake; thence North 20° 00' East 97.62 feet to Station EV 143 of the Park boundary; thence South 70° 22' East 90.00 feet to the Northwest corner of the Melin tract; thence with the West boundary of same South 20° 35' East 3086.04 feet to an interior corner of the J. G. Rhines tract; thence with the boundary of same four courses as follows: South 67° 31' West 665.24 feet to a stake; thence South 21° 14' East 1053.06 feet to a stake; thence North 64° 41' East 666.85 feet to a stake; thence South 20° 35' East 425.00 feet to Station EV 29 of the Park boundary, the same being the Southwest corner of the Morgan tract; thence with the Park boundary three courses as follows: South 72° 25' West 455.91 feet to a stake; thence South 20° 35' East 237.42 feet to a stake; thence South 71° 16' West 785.42 feet to a stake; thence North 21° 10' West 1010.41 feet to the point of beginning. Containing 195.411 acres. Bearings based on the meridian of the Tennessee Plane Coordinate System.

The above described property is the same property which was acquired by the Commonwealth of Virginia by judgments of the Circuit Court of Lee County, Virginia, entered on the sixth day of March, 1931, and recorded in the office of the Clerk of Lee County, in Deed Book 139, at pages 348 and 349.

3. The right of Mack Bailey, J. E. Bailey, Mack Bailey, B. L. Bailey, and the widow and heirs of J. S. Bailey, to prospect for and mine and remove any minerals of commercial value from the below described tract of land, and to cut and use timber from said tract of land for mine props in the mining operation on said land and for general farm purposes on said land, all of which rights and privileges shall cease and terminate on January 1, 1937 unless otherwise determined by the National Park Service.

The said land is located on the South side of Cumberland Mountain in the Rose Hill Magisterial District of Lee County, Virginia, and is more particularly described as follows: Beginning on Station EV 35 of the Park boundary, the same being the Southeast corner of the Rhines tract, the position of said corner in terms of the Tennessee Plane Coordinate System is: Y equals 835,074.47 X equals 2,726,826.70 runs thence North 2° 22' West 4142.44 feet to a stake on top of the Cumberland Mountain at the Northeast corner of the Rhines tract, the same being Station EV 138 of the Park boundary; thence with the same which is also the Kentucky-Virginia State line North 65° 01' East 980.13 feet to the Northwest corner of the T. J. Gupp tract; thence with the West boundary of the T. J. Gupp tract South 4° 25' East 335 feet to a stake; thence South 73° 35' East 984.45 feet to a stake; thence North 62° 25' East 351.13 feet to a stake in the West line of Tract No. 39; thence South 9° 05' East 3333.85 feet to Station EV 35 of the Park boundary, the same being the Southwest corner of the W. T. and Berthenia Rose tract; thence

Existing or outstanding special use permits, reservations, rights, or rights of way continued:

with the Park boundary two courses as follows: South $76^{\circ} 17'$ West 1462.30 feet to a stake; thence South $76^{\circ} 13'$ West 1049.71 feet to the point of beginning. Containing 196.278 acres more or less. Bearings herein based on the meridian of the Tennessee Plane Coordinate System.

The above described property is that same property which was acquired by the Commonwealth of Virginia by judgments of the Circuit Court of Lee County, Virginia entered on the 6th day of March 1951, and the 3rd day of October 1951 and recorded in the office of the Clerk of Lee County, Virginia, in Deed Book 139, at pages 551-554, Deed Book 140 at pages 357-359, and in Deed Book 141 at page 405.

4. The water and water rights to the underground streams which are the sources of Gap Creek and which supply water to the towns and communities of Cumberland Gap and Harrogate, Tennessee, including all the appurtenances and privileges attached and pertaining thereto, and including the exploration, occupation, maintenance, development, operation and exhibition of the caves and caverns known as Soldier's Cave, Solomon's Cave and Cudjo's Cave, all of which were more particularly described and reserved in two deeds to the Commonwealth of Virginia from Lincoln Memorial University, the first bearing date of April 3, 1947, and recorded in the office of the Clerk of Lee County, Virginia, in Deed Book 135 at page 511 and the second bearing date of May 4, 1950, and recorded in the aforesaid Clerk's office in Deed Book 138 at page 402.

5. A right of way of U. S. Highway No. 77 for a water pipe line under and through lands conveyed to the Commonwealth of Virginia by Lincoln Memorial University by deed dated the 3rd day of April 1947 and recorded in the office of the Clerk of Lee County, Virginia in Deed Book 135 at page 511 and set out in said deed as Exception No. 10.

6. The right of way of U. S. 25-2 commencing in the middle of Cumberland Gap at the Kentucky and Virginia State line, and extending in a southeasterly direction to the Tennessee and Virginia State line.

7. The right of way of U. S. Highway No. 75 commencing at the junction of said highway with U. S. Highway No. 45-2, and extending in an easterly direction to Station EV 77 in the Park boundary.

8. The right of way of the Louisville and Nashville Railroad Company for its railroad tunnel as more particularly set out in a conveyance to the Commonwealth of Virginia from the American Association, Incorporated, dated the 8th day of June 1949, and recorded in the office of the Clerk of Lee County, Virginia in Deed Book 135 at page 421.

There is also included within these bounds the situated from the area thereof a small tract of land known as the Louisville and Nashville Railway Station Lot and described as follows: Beginning at a point in the Virginia and Tennessee state line the position of said point in terms of the Tennessee Plane Coordinate System is: T equals 612,099.80 X equals 2,685,203.95 runs thence North $57^{\circ} 25'$ West 250.42 feet to a stake; thence North $42^{\circ} 42'$ East 150.00 feet to a stake; thence South $57^{\circ} 25'$ East 212.89 feet to a stake; thence South $42^{\circ} 19'$ East 150.42 feet to a point in the Virginia and Tennessee state line; thence with the said state line North $45^{\circ} 30'$ East 205.00 feet to the point of beginning. Containing 1.335 acres. Bearings herein based on the meridian of the Tennessee Plane Coordinate System.

9. The right of B. L. O'Dell to remain in possession of the below described tract of land until December 31, 1956 which right or privilege shall terminate on that date unless otherwise determined by the United States of America, its agents or assigns.

Existence of outstanding special use permits, reservations, rights, or rights of way
continued.

The said land is located on the South side of Cumberland Mountain in the Ross Hill Magisterial District of Lee County, Virginia and is more particularly described as follows: Beginning at a point in the Virginia and Tennessee state line the position of said point in terms of the Tennessee Plane Coordinate System is: Y equals 812,073.84 X equals 2,686,525.68 runs thence with the American Association East boundary 5 courses as follows: North 31° 48' West 229.90 feet to a stake; thence South 85° 08' West 275.53 feet to a stake; thence North 55° 47' West 224.89 feet to a stake; thence North 61° 37' West 178.74 feet to a stake; thence North 102.32 feet to a point in the South boundary of the L. M. U. tract; thence with the South boundary of the L. M. U. tract North 68° 36' East 1227.95 feet to a stake, also a corner of the American Association tract No. 11; thence with the West boundary of the American Association tract No. 11 South 36° 33' West 713.00 feet to a stake in the Virginia and Tennessee state line; thence with said state line North 89° 38' West 141.30 feet to the beginning. Containing 6.790 acres. Bearings herein based on the meridian of the Tennessee Plane Coordinate System.

Included within these bounds but excluded from the same is Virginia Highway No. 38 right of way containing 2.37 acres.

The above described property is the same property which was acquired by the Commonwealth of Virginia, by judgment of the Circuit Court of Lee County, Virginia, entered on the thirtieth day of July 1933, and recorded in the office of the Clerk of Lee County, Virginia, in Book 146 at page 151.

10. The right and privilege of Fannie Colson, the owner of land adjacent to Colson Tract No. 39-B to have access to Station Creek, at a point to be mutually agreed upon between the said owner and the petitioner or the National Park Service, for the purpose of watering her livestock from her adjoining land, and the right and privilege of Fannie Colson, the owner of said Colson Tract No. 39-B, to have access to Station Creek, at a point to be mutually agreed upon between the said owner and the petitioner or the National Park Service, for the purpose of watering her livestock from her adjoining land.

It is specifically agreed and understood that this conveyance is made on the condition that the United States of America, party of the second part, shall administer, protect and develop the above described property for National Park purposes in accordance with Federal laws regulating National Parks and that in the event the United States of America abandons said land and discontinues the use thereof for National Historical Park purposes the land shall therefore revert to the Commonwealth of Virginia.

CUMBERLAND GAP NATIONAL HISTORICAL PARK

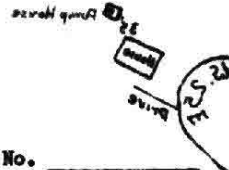

Docket No. 1

Name of System: 160' Well - O'Dell House. Bored, pumped electrically, no treatment. 35' of pipe maintained by NPS, annual consumption of 32,000 gallons. The water system consists of the following: Brick constructed pump house, 72 square feet, with electric pump. Donated by State of Virginia. (Information obtained from Fixed Property Record).
