THE STATE OF WYOMING,)
) SS.
 STATE ENGINEER'S OFFICE,)

THIS IS TO CERTIFY that I have examined the foregoing application and do hereby grant the same subject to the following limitations and conditions:

This permit grants only the right to use the surplus water of the stream when all prior rights are satisfied.

Construction of proposed work shall begin within one year from the date of approval.

The time for completing the work shall terminate on December 31, 1947.

The time for completing the application of water to beneficial use shall terminate on December 31, 1947, and final proof of appropriation shall be made within five years thereafter.

The amount of appropriation shall be limited to one cubic foot per second of time for each seventy acres of land reclaimed on or before December 31, 1947, and the additional volume used for Stockwatering purposes on or before said date, except as provided by Chapter 153, Session Laws of Wyoming, 1945.

Witness my hand this 26th day of February, A. D. 1946.

 L. C. Bishop, State Engineer.

THE STATE OF WYOMING,)
) SS.
 State Engineer's Office,)

October 17, 1947 - Notice of Completion to Beneficial Use on October 2, 1947, received.

Other Supporting Information

Elbo Ranch

11/20/63

According to data gathered by Merle Stitt, the former owner of Elbo Ranch near Taggart Creek (a Miss Starrett) upon relinquishing her private Dude Ranch operation to the Park Service was offered a concession operation at Rams Horn Ranch on the East Boundary near Ditch Creek. She accepted with the stipulation that she carry the name Elbo Ranch to her new location to aid in securing repeat visits from her old clients

A handwritten signature, possibly reading "JWP", is written in cursive and underlined.
