Notice of Complete Application of Water to a Beneficial Use

I, United States of America (for Olympic National Park
by transfer from the U. S. Forest Service), holder of Permit No. 2523
issued by the State Supervisor of Hydraulics of Washington for the appropriation of 0.01 second-
feet of the waters of an unnamed stream tributary to
the Soleduck River, in accordance with the tenor of such
permit and the limitations endorsed thereon by the State Supervisor of Hydraulics, completely applied
the waters to a beneficial use on the 4th day of July, 19 40, being within
the time limitation as fixed in said permit or extended by the State Supervisor of Hydraulics for the
complete application of water to a beneficial use.

(If all water granted in the permit has not been fully applied to beneficial use, give amount used in
percentage to the whole, so that subsequent appropriators may have notice. If permit is for irrigation
use, state per cent of lands not now watered.)

CONDITIONS OF THIS PERMIT

1. **Regulations.**—The permittee shall exercise this privilege subject to the supervision of the Superintendent, and shall comply with the regulations of the Secretary of the Interior, or other authorized officer of the Government, governing the area.

2. **Definition.**—The term "Director, National Park Service" as used herein shall include the appropriate Regional Director or Superintendent as the representative of the Director.

3. **Rights of the Director.**—Use by the permittee of the land covered hereby is subject to the right of the Director, National Park Service, to establish trails, roads, and other improvements and betterments over, upon, or through said premises, and further to the use by travelers and others of such roads and trails as well as of those already existing. If it is necessary to exercise such right, every effort will be made by the National Park Service to refrain from unduly interfering or preventing use of the land by the permittee for the purpose intended under this permit.

~~4. **Non-discrimination.**—Use of the land covered by the permit shall be subject to the employment by the permittee of a person or persons, the permittee agrees to observe the following conditions and provisions in connection with the use of the land covered by this permit: (a) The permittee shall not discriminate against any employee or applicant for employment because of race, religion, color, or national origin. The aforesaid provision shall include, but not be limited to, the following: employment, upgrading, demotion, or transfer; recruitment or recruitment advertising; layoff or termination; rate of pay or other forms of compensation; and selection for training, including apprenticeship. The contractor agrees to post hereafter in conspicuous places, available for employees and applicants for employment, notices to be provided by the contracting officer setting forth the provisions of the non-discrimination clause.~~

In connection with the performance of work under this contract, the contractor agrees not to discriminate against any employee or applicant for employment because of race, religion, color, or national origin. The aforesaid provision shall include, but not be limited to, the following: employment, upgrading, demotion, or transfer; recruitment or recruitment advertising; layoff or termination; rate of pay or other forms of compensation; and selection for training, including apprenticeship. The contractor agrees to post hereafter in conspicuous places, available for employees and applicants for employment, notices to be provided by the contracting officer setting forth the provisions of the non-discrimination clause.

The contractor further agrees to insert the foregoing provisions in all subcontracts hereunder, except subcontracts for standard commercial supplies or raw materials. (Executive Order 10557; September 3, 1954.)

5. **Damages.**—The permittee shall pay the United States for any damage resulting from this use which would not reasonably be inherent in the use which the permittee is authorized to make of the land described in this permit.

6. **Construction.**—No building or other structure shall be erected under this permit except upon prior approval of plans and specifications by the Director, National Park Service, and the premises and all appurtenances thereto shall be kept in a safe, sanitary, and sightly condition.

7. **Removal of structures and improvements.**—Upon the expiration of this permit by limitation of time or its termination for any reason prior to its expiration date, the permittee, if all charges due the Government hereunder have been paid, shall remove within such reasonable period as is determined by the Superintendent, but not to exceed 90 days unless otherwise stipulated in this permit, all structures and improvements placed on the premises by him, and shall restore the site to its former condition under the direction of the Superintendent. If the permittee fails to remove all such structures and improvements within the aforesaid period, they shall become the property of the United States, but that will not relieve the permittee of liability for the cost of their removal and the restoration of the site.

~~8. **Water Rights.**—The United States reserves the right to acquire, construct, maintain, and operate any water project, including any dam, levee, or other structure, on the land covered by this permit, and the permittee shall not interfere with such project. The permittee shall not use the land covered by this permit for any purpose which would interfere with the construction, maintenance, or operation of such project. The permittee shall not use the land covered by this permit for any purpose which would interfere with the construction, maintenance, or operation of such project. The permittee shall not use the land covered by this permit for any purpose which would interfere with the construction, maintenance, or operation of such project.~~

9. **Disposal of refuse.**—The permittee shall dispose of brush and other refuse as required by the Superintendent.

10. **Timber cutting.**—No timber may be cut or destroyed without first obtaining a permit therefor from the Director, National Park Service.

11. **Fire prevention and suppression.**—The permittee and his employees shall take all reasonable precautions to prevent forest, brush, grass, and structural fires and also shall assist the Superintendent in extinguishing such fires in the vicinity of any tract which may be used hereunder.

12. **Soil erosion.**—The permittee shall take adequate measures, as directed and approved by the Superintendent to restrict and prevent soil erosion on the lands covered hereby and shall so utilize such lands as not to contribute to erosion on adjoining lands.

13. **Benefit.**—Neither Members of, nor Delegates to Congress, or Resident Commissioners shall be admitted to any share or part of this permit or derive, either directly or indirectly, any pecuniary benefit to arise therefrom: *Provided however*, That nothing herein contained shall be construed to extend to any incorporated company, if the permit be for the benefit of such corporation.

14. **Assignment.**—This permit may not be transferred or assigned without the consent of the Director, National Park Service, in writing.

15. **Revocation.**—This permit may be terminated upon breach of any of the conditions herein or at the discretion of the Director, National Park Service.

16. This permit confers no rights upon the permittee to use of the water involved. If the permittee chooses to perfect water rights in compliance with State water laws, copies of the application, permit and license shall be supplied to the National Park Service for record purposes, but nothing in this stipulation is intended to indicate a definition of the relative State and Federal jurisdiction over the waters within Olympic National Park by virtue of the cession of State jurisdiction.
17. Ingress and egress for maintenance and rehabilitation of the facilities authorized hereunder is limited to foot travel except as otherwise expressly authorized by the Superintendent.
18. Nondiscrimination clause is attached.

CONTINUATION OF CONDITIONS OF THIS PERMIT (Form 10-)
UNITED STATES DEPARTMENT OF THE INTERIOR, NATIONAL PARK SERVICE

The following provisions cancel and supersede Condition 4, Non Discrimination (Executive Order No. 10557 of September 3, 1954) in accordance with Executive Order No. 10925 of March 6, 1961. Condition No. 4 now reads:

- (1) The permittee will not discriminate against any employee or applicant for employment because of race, creed, color, ancestry, or national origin. The permittee will take affirmative action to ensure that applicants are employed and that employees are treated during employment without regard to their race, creed, color, ancestry, or national origin. Such action shall include, but not be limited to the following: employment, upgrading, demotion, or transfer; recruitment or recruitment advertising; layoff or termination; rates of pay or other forms of compensation; and selection for training, including apprenticeship. The permittee agrees to post in conspicuous places, available to employees and applicants for employment, notices to be provided by the issuing officer setting forth the provisions of this non-discrimination clause.
- (2) The permittee will, in all solicitations or advertisements for employees placed by or on behalf of the permittee state that all qualified applicants will receive consideration for employment without regard to race, creed, color, ancestry, or national origin.
- (3) The permittee will send to each labor union or representative of workers with which he has a collective bargaining agreement or other contract or understanding, a notice, to be provided by the issuing officer advising the said labor union or worker's representative of the permittee's commitments under this section, and shall post copies of the notice in conspicuous places available to employees and applicants for employment.
- (4) The permittee will comply with all provisions of Executive Order No. 10925 of March 6, 1961, and of the rules, regulations and relevant orders of the President's Committee on Equal Employment Opportunity created thereby.
- (5) The permittee will furnish all information and reports required by Executive Order No. 10925 of March 6, 1961, and by the rules, regulations, and orders of said Committee, or pursuant thereto, and will permit access to his books, records, and accounts by the issuing agency and the Committee for purposes of investigation to ascertain compliance with such rules, regulations and orders.
- (6) In the event of the permittee's non-compliance with the non-discrimination clauses of this permit or with any of the said rules, regulations, or orders, this permit may be cancelled in whole or in part and the permittee may be declared ineligible for further government permits in accordance with procedures authorized in Executive Order No. 10925 of March 6, 1961, and such other sanctions may be imposed and remedies invoked as provided in the said Executive Order or by rule, regulation, or order of the President's Committee on Equal Employment Opportunity, or as otherwise provided by law.

(7) The permittee will include the provisions of the foregoing paragraphs (1) through (6) in every subcontract or purchase order unless exempted by rules, regulations, or orders of the President's Committee on Equal Employment Opportunity issued pursuant to Section 303 of Executive Order No. 10925 of March 6, 1961, so that such provisions will be binding upon each subcontractor or vendor. The permittee will take such action with respect to any subcontract or purchase order as the issuing agency may direct as a means of enforcing such provisions, including sanctions for non-compliance, PROVIDED, HOWEVER, that in the event the permittee becomes involved in, or is threatened with litigation with a subcontractor or vendor as a result of such direction by the issuing agency, the permittee may request the United States to enter into such litigation to protect the interests of the United States.

(8) The permittee is prohibited from: publicizing facilities operated hereunder in any manner that would directly or inferentially reflect upon or question the acceptability of any person because of race, creed, color, ancestry, or national origin; discrimination by segregation or other means against any person because of race, creed, color, ancestry, or national origin in furnishing or refusing to furnish such person the use of any such facility.

(9) The permittee shall post a notice in accordance with federal regulations to inform the public of the provisions of this sub-section, at such locations as will ensure that the notice and its contents will be conspicuous to any person seeking accommodations, facilities, services, or privileges. Such notice will be furnished the permittee by the issuing agency.
