Dear Rich and Jean,

Thank you so much for your thoughtful letter. We have all been fighting colds around here and have been short-staffed, so please accept my apology for not writing sooner.

I am delighted to hear how much Rich enjoyed his visit here, but I must tell you it was an equal thrill to have him here! His narrative and contributions to our knowledge will remain a priceless gift to our archives.

When you are ready, we are most anxious to see your additional material. And yes, we would welcome the newspaper copy announcing the end of the war.

Please know that we will always be grateful for your family's gifts to Cabrillo National Monument, as well as for Rich's service to his country. Your generosity will long be remembered.

Our very best to you and your family, and may the holidays be filled with joy and cheer!

Sincerely,

Robert W. Munson

A vintage black and white group photograph of the 1st Platoon, Battery 'D' 19th Coast Artillery. The soldiers are arranged in four rows: the front row is kneeling, the next two rows are standing, and the back row is standing. They are all wearing dark uniforms with caps. A flag with a cross and the letter 'D' is visible on the left. A utility pole is in the background on the right.
