RE: Request for Assignment (Conveyance) of Claims of Water Right for a Stockpond Nos.
38-88036 and 38-88037

Mr. Pettee:

The Arizona Department of Water Resources (Department) has received your Request for Assignment for the above referenced Claims of Water Rights for Stockponds. However, because of unresolved legal issues regarding ownership of water rights on federal lands, the only administrative action the Department will take is to ensure that the necessary documentation needed to process the request has been submitted. All the needed documentation has been submitted for the referenced request. Therefore, no further administrative action will be taken at this time.

Please feel free to call me at (602) 771-8500 if you have any questions.

Sincerely,

RE: Assignment (Conveyance) of Claims of Water Rights for Stockpond Nos. 38-88036 and 38-88037

From: Bureau of Land Management, Safford Field Office
To: USA, National Park Service

Mr. Pettee:

Enclosed please find your recently submitted application for assignment of the referenced surface water filings. The Department is unable to process your application because copies of the Master Title Plats for the place of use for the referenced claims were not submitted. The places of use for Claims of Water Right for a Stockpond Nos. 38-88036 and 38-88037 are both within the SE¼ of the SW¼, Sec. 4, Township 17 North, Range 23 East.

In Arizona, rights to the beneficial use of public, or appropriable, water are attached to the land at the place of use. The Department must see evidence of a change in the ownership of land on which the particular water right filing is located. This document, which may include a recorded deed or lease, must show by assessor map and describe by legal land notation the land involved in the transaction.

Please return the original application form with original signatures and the requested documentation to the Department within the next thirty (30) days.

Please call me at (602) 771-8500 if you have further questions regarding the assignment process.

Sincerely,

A handwritten signature in cursive script that reads "Miros Gutierrez".
