ATTACHMENT I

This Statement of Claimant is filed to set forth and to assert the right of the claimant to make beneficial use of public water of the State, to the extent that the water described herein is in fact public water of the State which is, or at any time has been, subject to appropriation.

Nothing in the Statement, nor its filing, shall constitute an admission that the water with respect to which this Statement is filed: (1) is public water subject to appropriation; (2) is in fact subject to claims based upon federal law.

The filing of this Statement in no way constitutes an abandonment or disclaimer of existing rights to water which have been acquired by reason of past use; by reason of claimant's interest in the lands with respect to which this Statement is filed; or by reason of prior filings under the Water Rights Registration Act and the Stockpond Registration Act.

This Statement of Claimant is made for and on behalf of New Mexico and Arizona Land Company by D.J. Tea, acting in his capacity as Vice President and being more fully acquainted with the matters stated herein than any other officer or employee of the Company. The matters stated herein are true and correct based on field work, physical examination, and other investigation, done for and on behalf of the Company under his personal control, direction, and supervision.

ATTACHMENT I

This claim and application is filed to obtain certification of existing rights to use the water involved at the place herein described, and to provide a means of future affirmations of continued use.

The filing of this in no way constitutes an abandonment or disclaimer of existing rights to the water which have been acquired by past use; by reason of Claimant's interest in the land involved; and/or by reason of prior filing under the Water Rights Registration Act.

Statement of Claim for water in this stockpond was filed under the Water Rights Registration Act on 1-26-76 and was assigned Registry Number 36-35617 .

This claim and application, filed under the Stockpond Registration Act, is made for and on behalf of New Mexico and Arizona Land Company by D. J. Tea, acting in his capacity as Vice President and being more fully acquainted with the matters stated herein than any other officer or employee of the Company. The matters stated herein are true and correct based on field work, physical examination, and other investigation, done for and on behalf of the Company under his personal control, direction and supervision.

This filing is made to insure a priority date no later than the date of construction of this pond; however, this pond was constructed to replace earlier diversions for beneficial use on the property on which this pond is located, which diversions began at least as early as January 1, 1886. Priority is therefor claimed as of that date under the Statement of Claim previously filed.

1. The water is supplemented by other water from the following supply used with or other tanks and wells.

3. Is the water presently being used ☒ Yes ☐ No. If no, date last used

4. *The full legal name of the claimant is: New Mexico And Arizona Land Company.

This statement of claim is filed in accordance with ARS Sec. 45-181 to set forth the right of New Mexico And Arizona Land Company, to make beneficial use of public water of the State, to the extent that the water described herein is in fact public water of the State which is, or at any time has been, subject to appropriation. It is not an admission that such water is in fact public water subject to appropriation rather than surface water not subject to appropriation.

All statements pertaining to historic use are based on information and belief.
