RE: Request to Change Well Information for Two Wells

The National Park Service (Service) submits the two enclosed forms to change well ownership from the U.S. Bureau of Land Management (Bureau) to the Service. In 2004, Public Law 108-430 transferred administrative jurisdiction of some 15,000 acres from the Bureau to the Service for the expansion of Petrified Forest National Park. The change in ownership concerns the following two wells:

File Number	Well Registration Number
A(19-25)16 CCB	55-614333
A(19-25)07 CAB	55-624668

A check written for \$20.00 is enclosed to cover the required fee of \$10.00 per well for change in well ownership. If you have any questions, please contact Paul Christensen of my staff at 970-225-3534 or paul_christensen@nps.gov.

Dear Mr. Ramsey:

Enclosed is a copy of the Deed of Reconveyance from the State of Arizona to the Bureau of Land Management. The document numbers are 96-92334. This deed is submitted as proof of land ownership.

This document lists the one well to be re-assigned to the BLM. We are not requesting the re-assignment of the remaining wells, since the land within T.20N., R.25E. has been set aside as Trust Lands for the Navajo-Hopi land settlement.

Also, enclosed is a Request Form to Change Well Information/Ownership submitted to update information in your files.

Please charge the required fee of \$10.00 to the Safford Field Office fee credit account, FCA-3. If there are any questions on the information or the documents, please contact me at 520-348-4469.
