Superintendent
Padre Island
National Seashore

Dear Sir:

I favor allowing Padre Island N.S. to remain more natural. I do not approve of the intent to drill another oil well; much less several that will damage severely the resources.

Padre Island should be the one area ~~on~~ the coast that offers the experience of coastal wilderness free of industrial development.

I prefer alternative A. over the other choice.

Thank you for considering my views.

William E. Muckleroy
