COMMENTS: Curtene - This is to
confirm that I did not
seek THC clearance for
cultural resources. Since
you took care of this on
Dunn-Murdock, I assumed
you would do likewise on
Lemon. Let me know if
we need to initiate action

Dear Arlene:

Re: Cultural Resources Survey of the Proposed Dunn-Murdock #1 Drilling Pad Location,
Kenedy County, TX

Per our telephone conversation, I have enclosed four (4) copies of the referenced cultural resources survey performed by Archaeology Consultants, Inc. The study was conducted at the request of BNP Petroleum Corporation. It is my understanding that PINS will provide copies to the Texas Historical Commission for their review and records.

Please do not hesitate to call with any questions you may have.

Sincerely,

Charles E. Belaire

Arlene - Since
you took care
of this on Dunn-
Murdock, I
assumed you
would do the
same on Lemon-
Lemonseed.
Let me know
if we need
to initiate
this.
Thanks,
Charlie
