Dear Superintendent Escoto:

Pursuant to the requirements of the approved referenced plan this letter shall serve as notification that BNP Petroleum Corporation will move a workover rig onto the ST 1008 #1 well. BNP has contracted with CC Forbes to move a workover rig to re-complete the well. The workover rig has just become available and will move to the Lemon pad as soon as Tuesday July 8th. This activity will involve 5-6 escortable vehicles for the initial convoy down the beach. The workover activity will take approximately one week.
