Subject Notice of Ops for Lemon ST1008 #1

Mark,

I have composed a notice letter which my assistant Monta Knippa will be sending to you today. Contrary to what I told you last week, we are moving a workover rig down the beach as early as next week. As you know, the industry is very busy and all equipment is hard to come by leaving the smaller operators at the mercy of the contractors. This workover rig has become available and BNP is taking advantage of the opportunity. All efforts will be taken to ensure uneventful convoy down the beach.

Thanks,

Victor Lopez
Surface Operations Manager
