RE: Request for documents

Ms. Smith

Since your initial inquiry, the documents you requested have been revised and re-released. I have enclosed copies of the revised Lemon/Lemon Seed wells environmental assessment, the Statement of Findings for Floodplains, and the Statement of Findings for Executive Order 11990 (Protection of Wetlands). The above documents can also be viewed on our web page: www.nps.gov/pais. Due to the size and expense of reproduction, the Plan of Operation is for viewing at our office.

I hope this helps.

Sincerely,
