Pursuant to 36 C.F.R. subsection 9.52 (a), the Superintendent of Padre Island National Seashore gives notice that Novus-USA has requested permission to access the National Seashore to perform natural and cultural resources surveys for the purpose of gathering data necessary to prepare a Plan of Operations for the proposed drilling and production of the Novus-Manzano prospect. The proposed operations would be located approximately 10 miles south of the end of Park Road 22. When a substantially complete Plan Of Operations is received by the park, the Superintendent will publish a notice of availability of the Plan of Operations and associated Environmental Assessment in this newspaper and the *Federal Register* for a 30-day public review period.
