NOTICE OF PUBLIC HEARING ON ADVISABILITY OF IMPROVEMENTS AND SERVICES AND THE PROPOSED ASSESSMENTS AND ON PETITION FOR ASSESSMENTS AND GENERAL NATURE OF PROJECTS AND SERVICES OF THE CORPUS CHRISTI DOWNTOWN MANAGEMENT DISTRICT.

Notice is hereby given that a public hearing will be held at 5:30 p.m., Tuesday, November 18, 2003, in room 227 of the Corpus Christi Bayfront Plaza Convention Center, 1901 N. Shoreline Boulevard, Corpus Christi, TX, before the Board of Directors (The Board) of the Corpus Christi Downtown Management District, upon a Petition for Assessments of General Nature Projects and Services of the Corpus Christi Downtown Management District (the "District"). The Petition is filed and the hearing is held under the authority of Chapter 375 of the Local Government Code, 31 Texas Administrative Code Chapter 203, and the procedural rules of the Board. The Petition reflects it has been signed by not fewer than the owners of

1110 LEGAL NOTICES

most recent certified county property tax roll. The general nature of the proposed improvement projects and services; the estimated cost of the improvements, and the proposed method of assessment is contained in the petition which follows:

2003-2008

PETITION FOR SERVICES AND/OR PROJECTS

To: The Board of Directors of the Corpus Christi Downtown Management District (hereinafter, the "District").

We, the undersigned "Petitioners", holding title to 50 percent or more of assessed value or 50 percent or more of the surface area of the taxable property located in the District, hereby Petition the District (i) to finance the following described services and improvement projects based on the benefit conferred as authorized under the terms of Chapter 375, Texas Local Government Code and (ii) annually to assess property in the District to raise funds to support expenditures and projects in the amount of the estimated cost thereof in the period from August 1, 2003, through July 31, 2008, as set forth below:

The general nature of the proposed projects and/or services are: improved maintenance, security, marketing, promotion and other economic development activities related to the property in the District and improvement of public property and facilities in or adjoining the District; and generally to encourage people to come to downtown to live, work and play. Those include, but are not limited to pedestrian improvements, lighting, landscaping, parking improvements and planning.

The estimated cost of such services and projects annually is approximately \$150,000 for each year in addition to administrative expense to be defrayed from funds obtained from other source.

The proposed method of assessment is an assessment of a maximum of 50

1110 LEGAL NOTICES

most recently certified Appraisal Roll each year at the time of levying such assessments, such tax rate to be adjusted as necessary to meet such budget, subject to such maximum amount.

More specifically, the proposed projects and expenditures are as follow:

- Expenditure of \$35,000 each year as a contribution by the District to the costs (to be shared by others) of developing an event space in downtown possibly in connection with development of one of the downtown parks.
- Expenditure by the District of up to \$35,000 each year as a contribution to the costs of maintenance and security of the District by means of providing full time "Sidewalk Ambassador" cleaning service to supplement (but not duplicate or supplant) street cleaning services provided by the City.
- Expenditure of \$25,000 each year on advertising, promotion and economic development projects including development of annual downtown "events", in addition to the cost of the services of District employees engaged in economic development activities.
- Expenditure of up to \$40,000 each year to continue to support and encourage pursuit of the following projects:
 - Restoration of Downtown infrastructure, and encourage the City and others to give priority to developing and implementing storm water and sanitary sewer improvements to curb chronic flooding, odor and sanitation in downtown.
 - Expansion of, and improvements to, Artesian Park with funds obtained from others.
 - Implementation of plans to create a seawall park east of traffic lanes on Shoreline Boulevard, beginning near the convention center, with funds from other sources.
 - Development and expansion of La Retama Park as a major focal point for the community with a major

and other destinations.
(f) Development of comprehensive projects of pedestrian improvements in the central business district to consist of one or more of the following: lighting, landscaping, sidewalk and curb improvements; crossing improvements; and street decorations.

(g) Encourage and assist development of residential development in downtown.

(v) Provision of \$15,000 as a contingency fund each year for expenditure to further the above and other projects and services as authorized by the Board of Directors.

The foregoing budget does not include approximately \$80,000 in administration expense to be funded from other sources.

5. The assessments provided and requested herein are for annual assessments each year for five fiscal years, 2003-2004, 2004-2005, 2005-2006, 2006-2007 and 2007-2008. Any additional assessments shall require additional Petitions by the landowners and authorizations of the Board of Directors of the District.

6. This Petition is being circulated and signed in multiple counterparts, each of which when presented to the Board of Directors may be considered an original and all the multiple counterparts together shall constitute the Petition required under Chapter 375 Local Government Code. Officers of the District are authorized to assemble signature pages from multiple counterparts in such fashion as to appear as a single document.

We request the Board of Directors of the Corpus Christi Downtown Management District (i) to give Notice of a public hearing, (ii) to hold such public hearing as required, (iii) make its findings relative to the benefits and visibility of the services or
