Hi Arlene,

Could you please fax me the Padre Island National Seashore rainfall data for the months of July 2002, August 2002 and September 2002. I know September is not quite over, but is it still possible for you to give me the data from September 1st through September 24th? Please call me if you have any questions. I really appreciate the data you have provided me in the past.

Thank you Arlene,

Jeff Nelson
