Re: Salt Water Disposal
State Tracts 980-S
and 981-S No. 1
South Sprint Area
Kleberg (Offshore)
County, Texas

Attention: Mr. T.G. Lewis
Area Superintendent

Gentlemen:

Pursuant to your letter dated June 16, 1969, you are hereby authorized to dispose of a small quantity of water associated with your gas production, from the above state tracts, into a section of gravel packed 30 inch O.E. casing driven 8 feet into the sand near the central collection site of the beach behind the dunes.

Yours very truly,

Roy D. Payne

Mr. T. G. Post
District Director
Railroad Commission of Texas
Corpus Christi, Texas

Dear Sir:

Please refer to your telephone conversation with our Mr. J. F. Finn this date regarding above captioned subject. Pan American proposes to dispose of the small quantity of water associated with their gas production into a section of gravel packed, 30" O.D. casing driven 8' into the sand near the central collection site off the beach behind the dunes.

Please furnish the necessary permit for approval of this proposal.

Yours very truly,

ORIGINAL SIGNED:
T. G. LEWIS
