Dear Madam or Sir:

We have received your 11/30/93 Notice of Intent to be covered under the NPDES General Permit for the Coastal Waters of Texas (TXG330000) (58 Federal Register 49126-49150, September 21, 1993).

We have enclosed a list of the discharge locations for which you have requested coverage. The list includes the discharge number(s) we will use for tracking purposes in our computer database. Your NPDES General Permit Number is also listed below. Please utilize this number as well as the appropriate discharge location descriptions on all Discharge Monitoring Reports (DMRs) and other correspondence submitted to the EPA under the general permit.

Your NPDES General Permit Number for the Coastal Waters of Texas (TXG330000) is:

TXG330001

As per the general permit, coverage is only for "oil and gas facilities engaged in field exploration, drilling, well completion and treatment operations and production activities in the Coastal Subcategory of the Oil and Gas Extraction Point Source Category in the State of Texas. Produced water and produced sand discharges are not authorized by these general permits but will be regulated under separate general coastal permits."

Annual submittal of DMRs for the attached list of discharge locations is due on November 30. All necessary forms will be provided to you prior to your reporting deadline.

Please mail all DMRs to: Water Management Division
Water Enforcement Branch (6W-E)
U.S. Environmental Protection Agency
P.O. Box 50625
Dallas, Texas 75250

If you have any questions about DMR completion or reporting,
please feel free to contact Mr. ~~Nelson F. Smith~~ at (214) 655-6466
or after August 1, 1994 at (214) 665-6466. 7488
