herein EXCEPTED and RESERVED by Lyons, MC and Nicol are each subject to the following terms, provisions and conditions:

- (a) Each overriding royalty interest shall be computed on the same basis as the lessor's royalties are computed in respect of each of the Leases, but Lyons, MC and Nicol shall bear and pay all taxes which may now or hereafter be applicable to or in any manner connected with such overriding royalty interest or a lien upon such overriding royalty interest or the production of Hydrocarbons attributable thereto, including, without limitation, all production, severance or other taxes attributable to or levied upon such overriding royalty interest or the production of Hydrocarbons attributable thereto..

- (c) The reservation and exception of the overriding royalty interests herein by Lyons, MC and Nicol is based upon the assumption that the Leases cover and affect the entire fee simple estate and the entirety of the Lands described in Exhibit A. If the Leases cover less than the entire fee simple estate described therein, or if there is a loss or failure of title so that such Leases do not cover a particular tract or parcel described in Exhibit A hereof in connection with the Leases, or if such Leases do not cover the entire mineral interest in the entirety of the Lands described in Exhibit A, then the overriding royalty interest herein excepted and reserved shall be proportionately reduced as to each such partial interest or as to each of such Lands as to which title shall have failed or is less than the entire mineral interest.
- (d) No obligations, either express or implied, shall arise by reason of this exception and reservation by Lyons, MC and Nicol which shall obligate Assignee to keep and to maintain the Leases in force and effect either by the payment of rentals, compensatory royalty or other payments, or by the drilling of any wells, it being expressly understood that Lyons, MC and Nicol are to receive their respective overriding royalty interests only out of the Hydrocarbons if, as and when produced, saved and sold at the will of Assignee from the Lands under the terms and provisions of the Leases, and Assignee may release the Leases, or any part thereof, or permit the Leases or any part thereof, to revert or to terminate at will and without liability to Lyons, MC and Nicol.

ASSIGNEE'S FOREGOING OBLIGATIONS SHALL APPLY REGARDLESS OF WHETHER SUCH LIABILITIES ARISE UNDER CONTRACT, TORT, STATUTE, OR OTHERWISE. ASSIGNEE ACKNOWLEDGES THAT THE PROPERTY INTERESTS MAY HAVE BEEN UTILIZED FOR THE PURPOSE OF EXPLORATION FOR OR PRODUCTION AND DEVELOPMENT OF OIL AND GAS AND THAT ASSIGNEE HAS BEEN INFORMED AND IS AWARE THAT OIL AND GAS PRODUCING FORMATIONS MAY CONTAIN NATURALLY OCCURRING RADIOACTIVE MATERIAL ("NORM") AND THAT SOME OIL FIELD PRODUCTION EQUIPMENT OR FACILITIES MAY CONTAIN ASBESTOS OR NORM.
