Attn: Mr. Joe Escoto Superintendent

Re: L3025 (PAIS) BNP Petroleum Corporation proposed "Drilling & Production Operations for BNP South Sprint"

Dear Superintendent Escoto:

BNP Petroleum Corporation by receipt of this letter is requesting a 60-day temporary access permit for the purpose of collecting basic information necessary to prepare a plan of operations, pursuant to 36 C.F.R. 9.38 (a) (1); BNP Petroleum Corporation proposes to have a general land survey performed to determine the location and size of existing facilities BNP Petroleum Corporation acquired from Locin Oil Corporation. Also BNP would like to conduct a visual survey with BNP's environmental contractor to assess the direction in which existing facilities may be expanded for future proposed drilling with minimal impact. A map of the South Sprint location is attached as found in the plan acquired by BNP from Locin dated July 2000 and approved July 1, 2004.

The first type of survey to be conducted is a general land survey performed by 2 workers who would arrive in a standard pickup truck with GPS equipment, tripod, and other miscellaneous surveying equipment to measure on foot the perimeter of the existing facilities and all existing equipment currently located on the sight. The total time required for this survey would be one to two days.

The second type of survey is a visual survey where two to three BNP Petroleum Corporation employees will meet with two to three Environmental contract employees to review existing facilities and determine in which direction the location may be expanded for future drilling or discuss what environmental obstacles that may be encountered. They will arrive in two to three standard street vehicles and review the sight on foot.

BNP Corporation Williams Tower 2800 Post Oak Boulevard, Suite 5300 Houston, Texas 77056

Phone: 713.572.6400 Fax: 713.572.6401

BNP Petroleum Corporation will notify the park nonfederal oil and gas program coordinator in advance of work beginning in the park.

BNP Petroleum Corporation employee's and contractors shall carry a copy of the temporary operating permit on them whenever performing work in the park.

Please advise me of any additional informational requirements or concerns such that I may address as PINS requires.

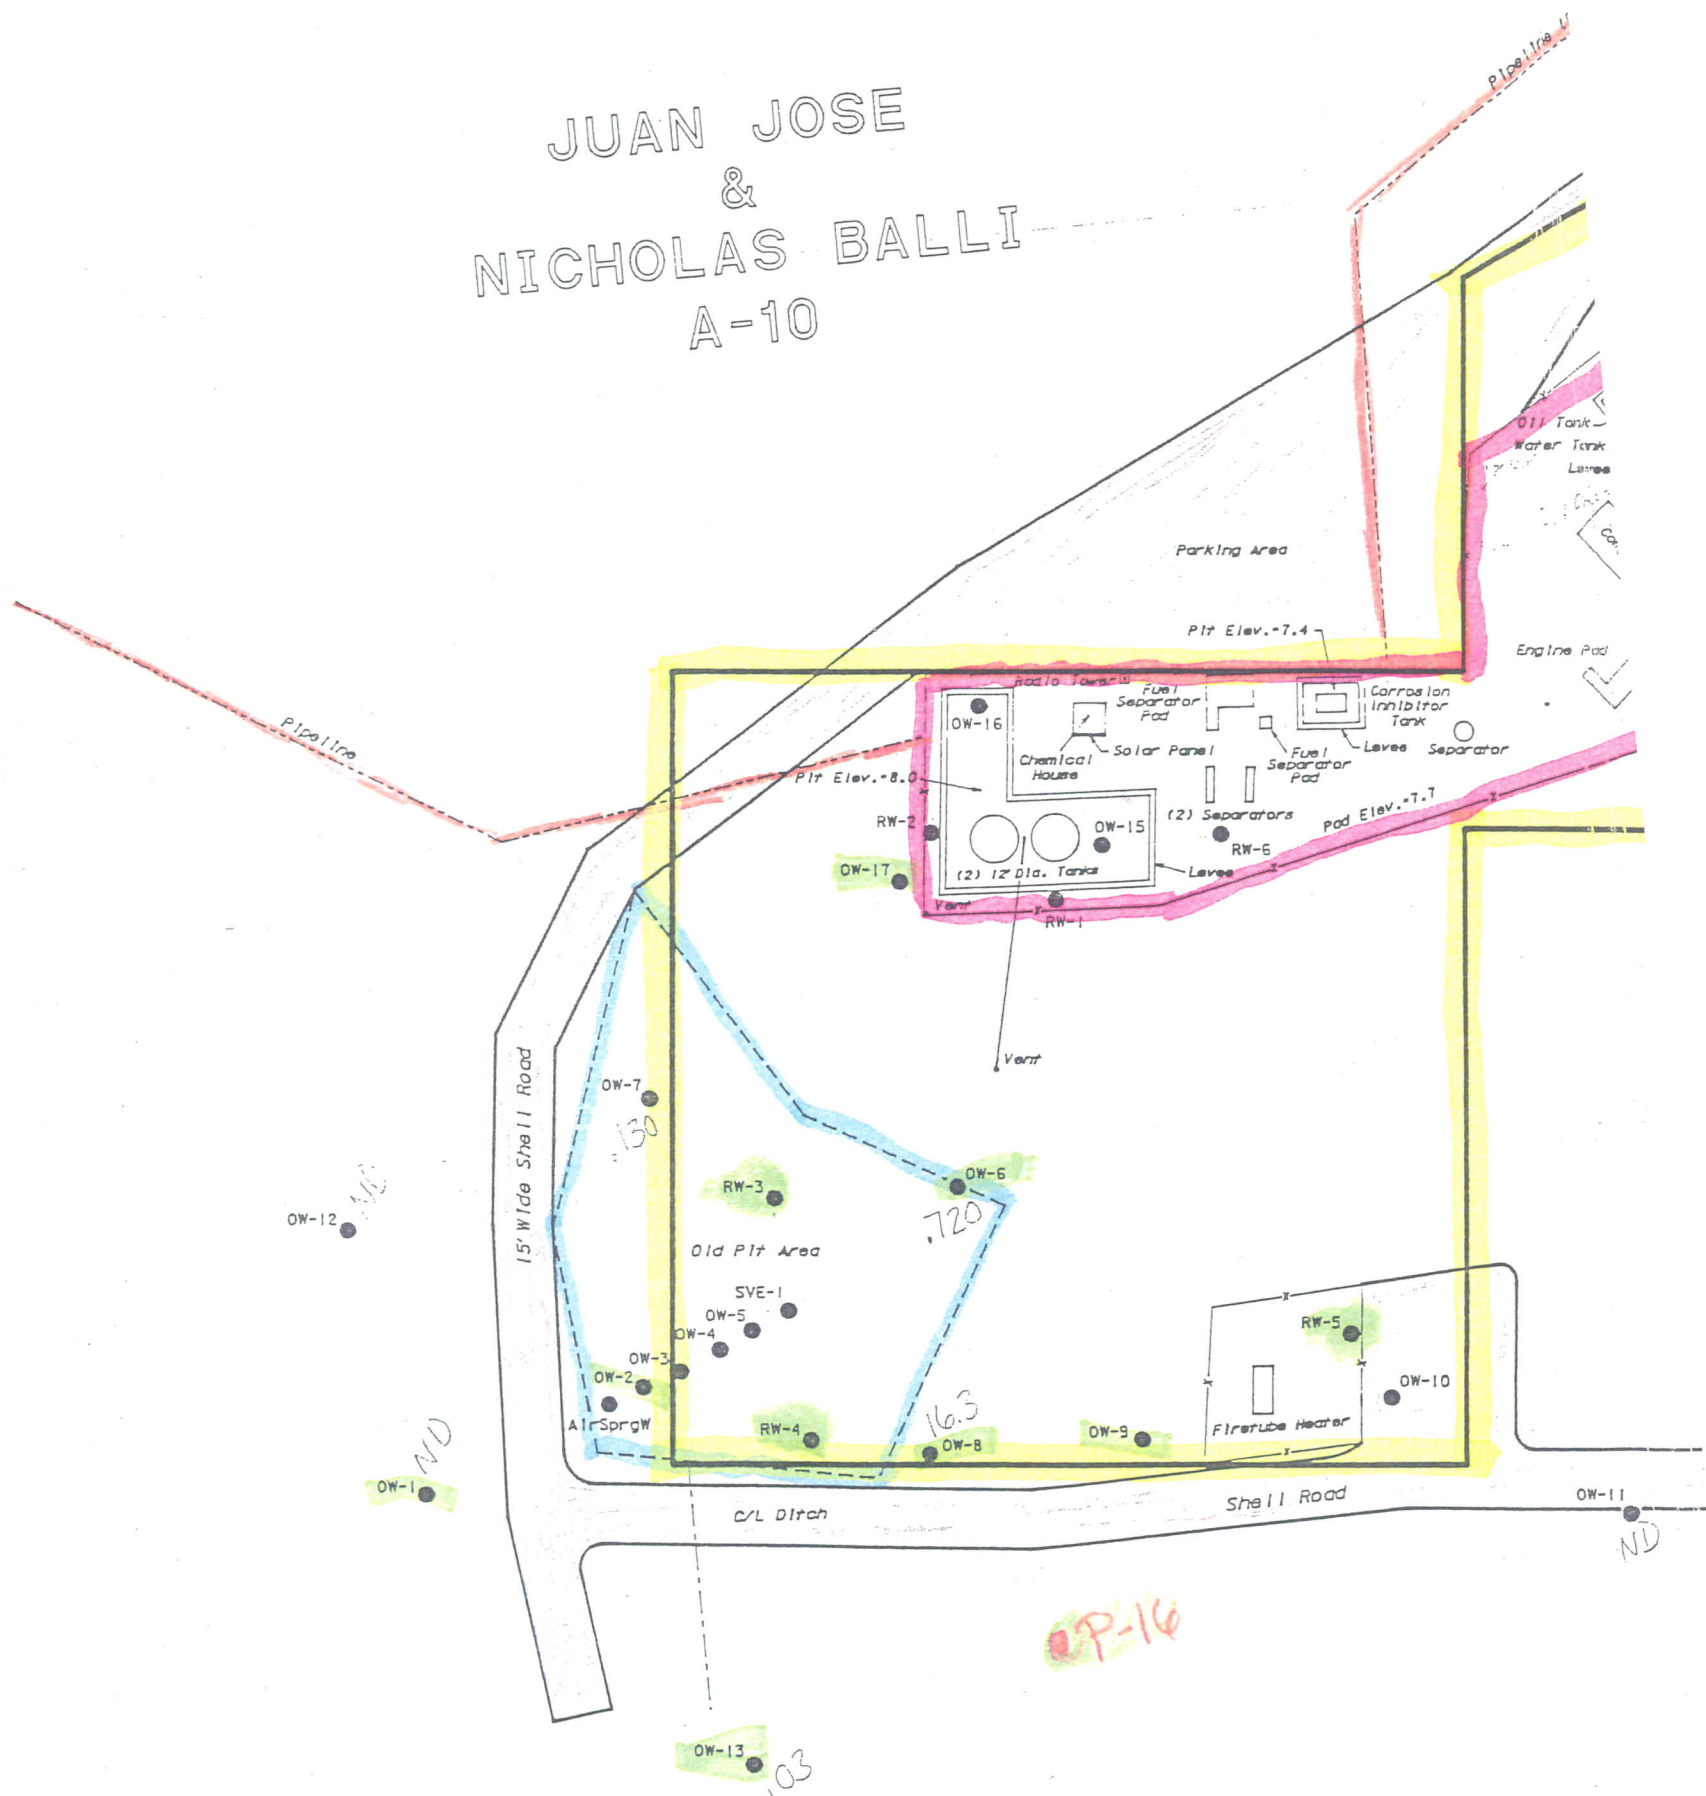

Sincerely,

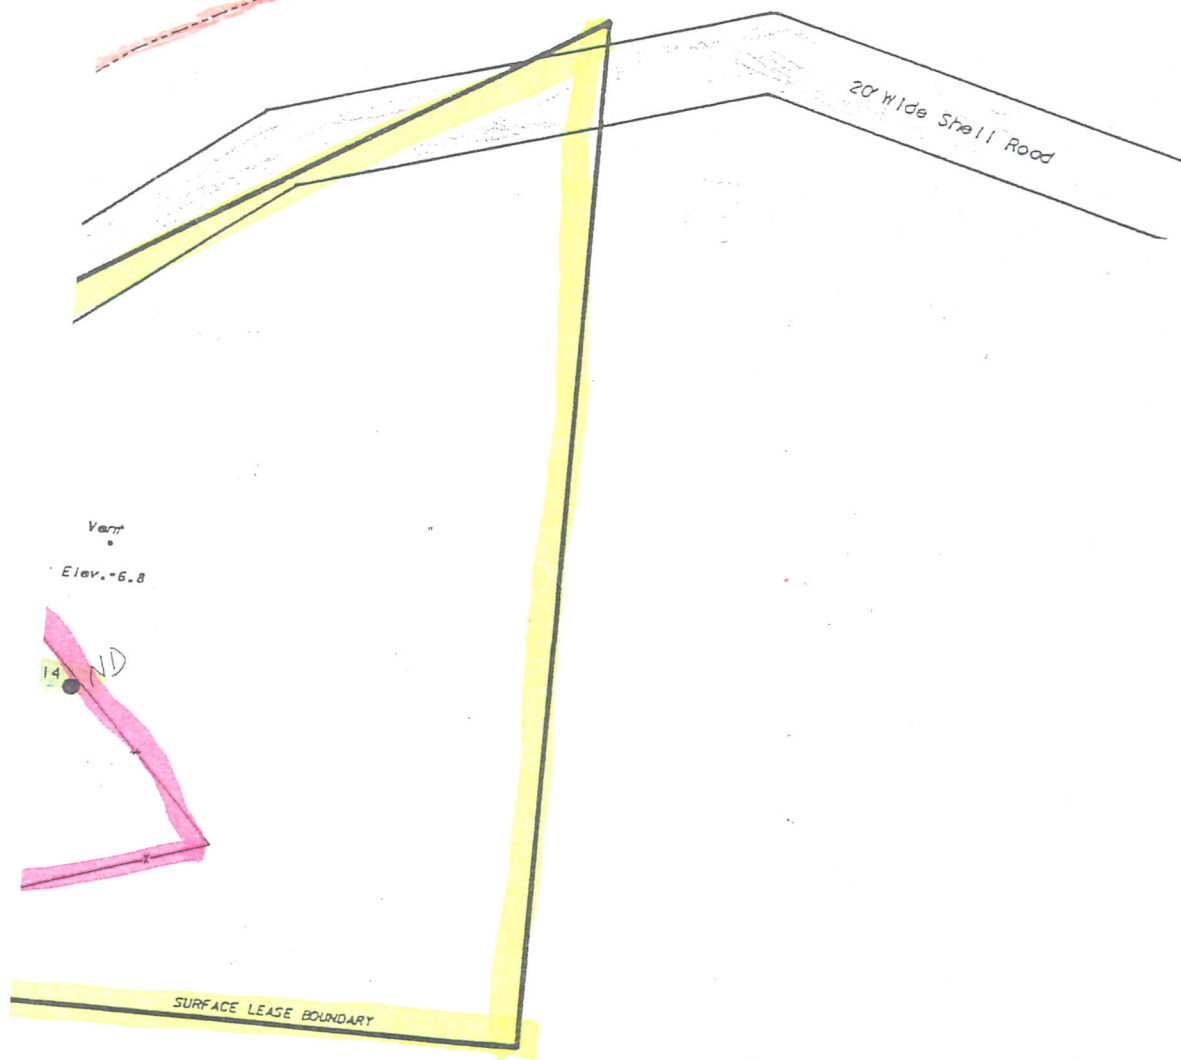

A handwritten signature in blue ink, appearing to read "R. Knox Westmoreland", is written over the word "Sincerely,".
