Arlene,

FYI. Peyton McNeil of EOG called yesterday afternoon to let us know that they were coming into the park on Monday and Tuesday to do some general well maintenance for the day. They would be bringing in a gooseneck trailer and a few pickups to help them. They may come in for one day on either Saturday or Sunday with a wireline truck. He was not very optimistic for the weekend since there wasn't a truck available yet.

Later,
D
