

L3025

August 26, 1998

Memorandum

To: Linda Dansby, IMSF-RMO
Gary Rosenlieb, Water Resources Div.

From: Paul H. Eubank, PAIS

Subject: Enron Oil & Gas South Sprint Contamination

For your reference and files, I have enclosed a copy of the latest testing of the soil and groundwater from the South Sprint facility. I have a meeting with Enron personnel and consultant to discuss further remediation efforts at the facility. I will keep you informed.

Paul H. Eubank
