

Assateague Island Aerial Photo Surveys by Year

Year 1938

Month 6

Survey Name 193801

Photo Type B/W
Black and White (B/W)
True Color (TC)
Color Infrared (CIR)

of Photos 3

of Flightlines 2

Scale 1:20000

Altitude

Georef/Projected? No

Mosaic/Index? No

Comments:

This survey consists of three photos including Assateague Island near the Ocean City Inlet.

Year 1949

Month 6

Survey Name 194902

Photo Type B/W
Black and White (B/W)
True Color (TC)
Color Infrared (CIR)

of Photos 1

of Flightlines 1

Scale

Altitude

Georef/Projected? No

Mosaic/Index? No

Comments:

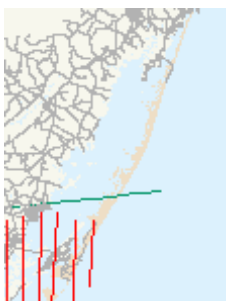

Only one photo exists at ASIS from this survey. The image is a large format photo around the MD/VA state line area on Assateague Island.

Year 1949

Month 11

Survey Name 194901

Photo Type B/W
Black and White (B/W)
True Color (TC)
Color Infrared (CIR)

of Photos 39

of Flightlines 8

Scale 1:20000

Altitude

Georef/Projected? No

Mosaic/Index? Yes

Comments:

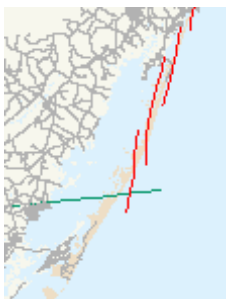

This survey covers the Chincoteague Island area from just south of the MD/VA state line to well south of the Toms cove hook. The index file is located with the individual photos.

Year 1952

Month 6

Survey Name 195201

Photo Type B/W
Black and White (B/W)
True Color (TC)
Color Infrared (CIR)

of Photos 15

of Flightlines 1

Scale 1:1667

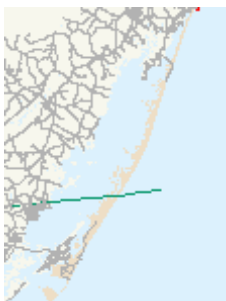

Altitude

Georef/Projected? No

Mosaic/Index? No*

Comments:

This survey covers the Maryland portion of Assateague Island National Seashore. *The index file consists of photo ID's labeled on a map, not actual photographs.

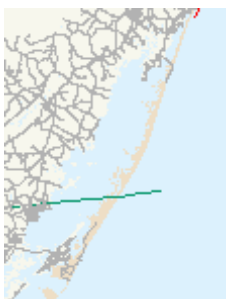

Year 1952**Month** 10**Survey Name** 195202**Photo Type** B/W*Black and White (B/W)**True Color (TC)**Color Infrared (CIR)*

of Photos 3

of Flightlines 1

Scale**Altitude****Georef/Projected?** No**Mosaic/Index?** No**Comments:**

Three photos of the Ocean City Inlet and surrounding area. *These photos can be found in "Raw_Files/Not_Georeferenced/MDBarrierIslands" folder.

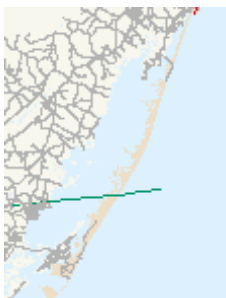

Year 1952**Month** 11**Survey Name** 195203**Photo Type** B/W*Black and White (B/W)**True Color (TC)**Color Infrared (CIR)*

of Photos 35

of Flightlines 3

Scale 1:6,000**Altitude****Georef/Projected?** No**Mosaic/Index?** Yes**Comments:**

This survey covers the northern tip of Assateague Island, Ocean City and parts of Delaware. An index file is included with the individual photos. *These photos can be found in "Raw_Files/Not_Georeferenced/MDBarrierIslands" folder.

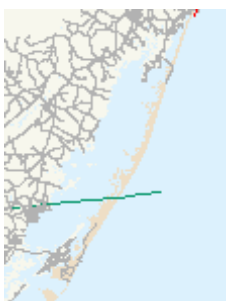

Year 1954**Month** 2**Survey Name** 195401**Photo Type** B/W*Black and White (B/W)**True Color (TC)**Color Infrared (CIR)*

of Photos 16

of Flightlines 3

Scale 1:6,000**Altitude****Georef/Projected?** No**Mosaic/Index?** Yes**Comments:**

This survey covers the northern tip of Assateague Island, Ocean City and parts of Delaware. An index file is included with the individual photos. *These photos can be found in "Raw_Files/Not_Georeferenced/MDBarrierIslands" folder.

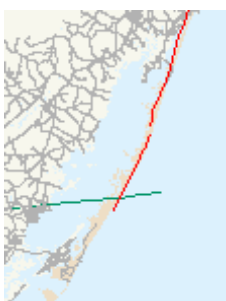

Year 1954**Month** 12**Survey Name** 195402**Photo Type** B/W*Black and White (B/W)**True Color (TC)**Color Infrared (CIR)*

of Photos 14

of Flightlines 3

Scale 1:6,000**Altitude****Georef/Projected?** No**Mosaic/Index?** Yes**Comments:**

This survey covers the northern tip of Assateague Island, Ocean City and parts of Delaware. An index file is included with the individual photos. *These photos can be found in "Raw_Files/Not_Georeferenced/MDBarrierIslands" folder.

Year 1956**Month** 1**Survey Name** 195601**Photo Type** B/W*Black and White (B/W)**True Color (TC)**Color Infrared (CIR)*

of Photos 72

of Flightlines 6

Scale 1:14,400**Altitude****Georef/Projected?** No**Mosaic/Index?** Yes**Comments:**

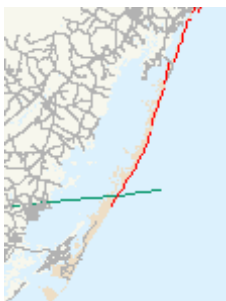

This survey covers the Ocean City Inlet south to the Virginia State Line on Assateague Island. An index file is included with the individual photos. *These photos can be found in "Raw_Files/Not_Georeferenced/MDBarrierIslands" folder.

Year 1957

Month 3

Survey Name 195702

Photo Type B/W
Black and White (B/W)
True Color (TC)
Color Infrared (CIR)

of Photos 46

of Flightlines 4

Scale 1:6,000

Altitude

Georef/Projected? No

Mosaic/Index? Yes

Comments:

This survey covers the coastal areas from the Delaware State Line south to the Virginia State Line. Two index files are included with the individual photos. *These photos can be found in "Raw_Files/Not_Georeferenced/MDBarrierIslands" folder.

Year 1957

Month 10

Survey Name 195701

Photo Type B/W
Black and White (B/W)
True Color (TC)
Color Infrared (CIR)

of Photos 2

of Flightlines

Scale

Altitude

Georef/Projected? No

Mosaic/Index? No

Comments:

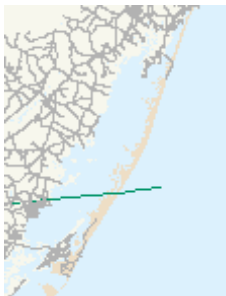

Two identical photos of Toms Cove Hook. No metadata exists.

Year 1957

Month 12

Survey Name 195703

Photo Type B/W
Black and White (B/W)
True Color (TC)
Color Infrared (CIR)

of Photos 17

of Flightlines 3

Scale

Altitude

Georef/Projected? No

Mosaic/Index? No

Comments:

This survey covers the Delaware State Line south to the Ocean City Inlet. One photo (#107) is taken on Assateague Island. *These photos can be found in "Raw_Files/Not_Georeferenced/MDBarrierIslands" folder.

Year 1959

Month 12

Survey Name 195901

Photo Type B/W
Black and White (B/W)
True Color (TC)
Color Infrared (CIR)

of Photos 2

of Flightlines 1

Scale 1:30000

Altitude

Georef/Projected? No

Mosaic/Index? No

Comments:

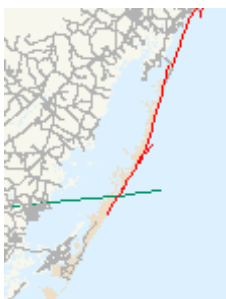

Both photos in this survey cover the Chincoteague Island and Toms Cove areas.

Year 1960

Month 1

Survey Name 196001

Photo Type B/W
Black and White (B/W)
True Color (TC)
Color Infrared (CIR)

of Photos 50

of Flightlines 4

Scale 1:6,000

Altitude

Georef/Projected? No

Mosaic/Index? Yes

Comments:

This survey covers the Delaware State Line south to portions of Assateague Island National Seashore in Virginia. Two index files are included with the individual photos. *These photos can be found in "Raw_Files/Not_Georeferenced/MDBarrierIslands" folder.

Year 1962

Month 0

Survey Name 196205

Photo Type B/W
Black and White (B/W)
True Color (TC)
Color Infrared (CIR)

of Photos 3

of Flightlines

Scale

Altitude

Georef/Projected? Yes

Mosaic/Index? No

Comments:

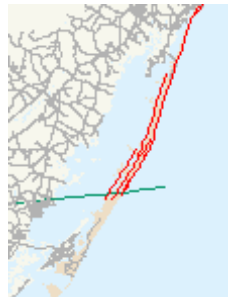

Three photos of Toms Cove Hook. No metadata exists for these photos.

Year 1962

Month 1

Survey Name 196206

Photo Type B/W
Black and White (B/W)
True Color (TC)
Color Infrared (CIR)

of Photos 80

of Flightlines 4

Scale

Altitude

Georef/Projected? No

Mosaic/Index? Yes

Comments:

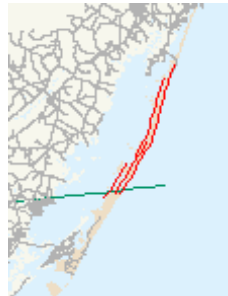

This survey covers the coastal areas from the Delaware State Line south to the Virginia State Line. Five index files are included with the individual photos. *These photos can be found in "Raw_Files/Not_Georeferenced/MDBarrierIslands" folder.

Year 1962

Month 1

Survey Name 196201

Photo Type B/W
Black and White (B/W)
True Color (TC)
Color Infrared (CIR)

of Photos 58

of Flightlines 4

Scale

Altitude

Georef/Projected? No

Mosaic/Index? No

Comments:

This survey includes photos with mylar overlays (A) outlining proposed development and the same photos with the mylar removed (B). The survey includes the MD OSV Zone and Developed Area. *58 individual pictures and 82 total photos.

Year 1962

Month 3

Survey Name 196204

Photo Type B/W
Black and White (B/W)
True Color (TC)
Color Infrared (CIR)

of Photos 6

of Flightlines 1

Scale unknown

Altitude

Georef/Projected? No

Mosaic/Index? No

Comments:

Photos in this survey cover the Virginia Beach area. Note that the photos are rotated 180 degrees.

Year 1962

Month 4

Survey Name 196203

Photo Type B/W
Black and White (B/W)
True Color (TC)
Color Infrared (CIR)

of Photos 5

of Flightlines 1

Scale unknown

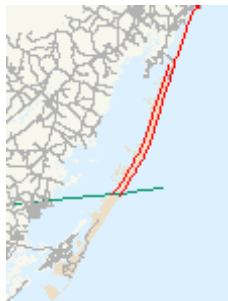

Altitude

Georef/Projected? No

Mosaic/Index? No

Comments:

Photos in this survey cover Chincoteague Island. Note that the photos are rotated 180 degrees.

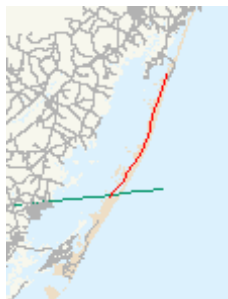

Year 1962**Month** 5**Survey Name** 196207**Photo Type** B/W
Black and White (B/W)
True Color (TC)
Color Infrared (CIR)

of Photos 79

of Flightlines 4

Scale**Altitude****Georef/Projected?** No**Mosaic/Index?** Yes**Comments:**

This survey covers the coastal areas in Delaware south to the Virginia State Line on Assateague Island. Three index files are included with the individual photos. *These photos can be found in "Raw_Files/Not_Georeferenced/MDBarrierIslands" folder.

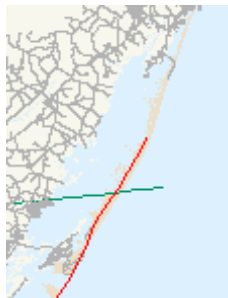

Year 1962**Month** 5**Survey Name** 196202**Photo Type** B/W
Black and White (B/W)
True Color (TC)
Color Infrared (CIR)

of Photos 26

of Flightlines 2

Scale**Altitude****Georef/Projected?** No**Mosaic/Index?** No**Comments:**

Photos in this survey cover a similar area as the January 1962 development survey (MD OSV Zone and Developed Area). This survey follows a major storm in March that essentially stopped development plans on Assateague Island. Unknown altitude or scale.

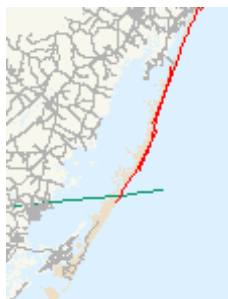

Year 1963**Month** 3**Survey Name** 196301**Photo Type** B/W
Black and White (B/W)
True Color (TC)
Color Infrared (CIR)

of Photos 8

of Flightlines 1

Scale 1:8580**Altitude** 12000**Georef/Projected?** No**Mosaic/Index?** No**Comments:**

This survey covers the Virginia portion of Assateague Island National Seashore. All photos include accompanying thumbnail images.

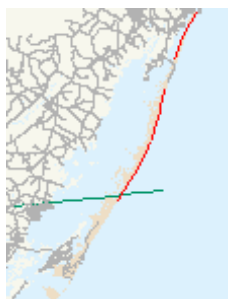

Year 1963**Month** 3**Survey Name** 196302**Photo Type** B/W
Black and White (B/W)
True Color (TC)
Color Infrared (CIR)

of Photos 46

of Flightlines 4

Scale 1:6,000**Altitude****Georef/Projected?** No**Mosaic/Index?** Yes**Comments:**

This survey covers the coastal areas from the Delaware State Line south to the Virginia State Line on Assateague Island. Two index files are included with the individual photos. *These photos can be found in "Raw_Files/Not_Georeferenced/MDBarrierIslands".

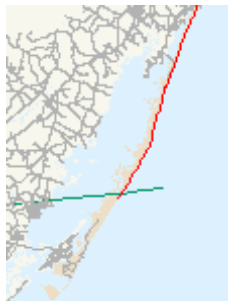

Year 1964**Month** 7**Survey Name** 196401**Photo Type** B/W
Black and White (B/W)
True Color (TC)
Color Infrared (CIR)

of Photos 26

of Flightlines 3

Scale**Altitude****Georef/Projected?** No**Mosaic/Index?** No**Comments:**

This survey covers portions of Maryland and the northernmost section of Virginia on Assateague Island. Unknown altitude or scale.

Year 1964**Month** 7**Survey Name** 196402**Photo Type** B/W*Black and White (B/W)**True Color (TC)**Color Infrared (CIR)*

of Photos 47

of Flightlines 4

Scale 1:6,000

Altitude

Georef/Projected? No

Mosaic/Index? Yes

Comments:

This survey covers the coastal areas from the Delaware State Line south to the Virginia State Line on Assateague Island. One index file is included with the individual photos. *These photos can be found in "Raw_Files/Not_Georeferenced/MDBarrierIslands".

Year 1966**Month** 9**Survey Name** 196603**Photo Type** B/W*Black and White (B/W)**True Color (TC)**Color Infrared (CIR)*

of Photos 5

of Flightlines 1

Scale 1:12000

Altitude

Georef/Projected? Yes/No

Mosaic/Index? Yes

Comments:

Five mosaics of Assateague Island from the Ocean City Inlet to the Toms Cove Hook. The sensor used in this survey detected near-infrared light in addition to the visible spectrum in survey 196602. Available in "Final_Mosaic/1996" and "Raw_Files/196603".

Year 1966**Month** 9**Survey Name** 196602**Photo Type** B/W*Black and White (B/W)**True Color (TC)**Color Infrared (CIR)*

of Photos 504

of Flightlines 1

Scale 1:12000

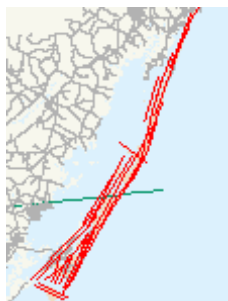

Altitude

Georef/Projected? Yes/No

Mosaic/Index? Yes

Comments:

This survey covers the entire length of Assateague Island National Seashore. The individual photos are not georeferenced, but the photos that comprise the five mosaics in the 196603 survey are.

Year 1966**Month** 9**Survey Name** 196601**Photo Type** B/W*Black and White (B/W)**True Color (TC)**Color Infrared (CIR)*

of Photos 114

of Flightlines 23

Scale 1:6000

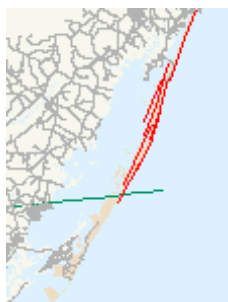

Altitude

Georef/Projected? Yes

Mosaic/Index? Yes

Comments:

This survey consists of a complete Assateague Island survey from the Ocean City Inlet to the Toms Cove Hook. Relevant photos from this dataset were georeferenced in the Summer of 2008.

Year 1972**Month** 4**Survey Name** 197201**Photo Type** B/W*Black and White (B/W)**True Color (TC)**Color Infrared (CIR)*

of Photos 138

of Flightlines 7

Scale

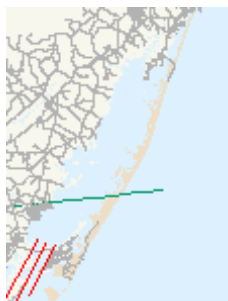

Altitude

Georef/Projected? No

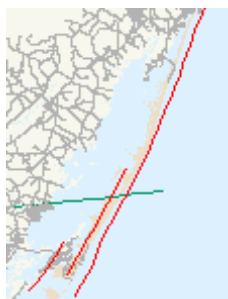

Mosaic/Index? No

Comments:

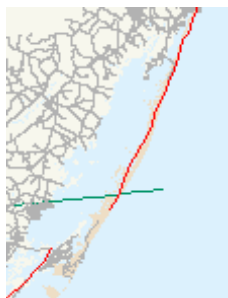

This survey covers the Maryland portion of Assateague Island National Seashore. Unknown altitude or scale.

Year 1977**Month** 9**Survey Name** 197701**Photo Type** TC*Black and White (B/W)**True Color (TC)**Color Infrared (CIR)***# of Photos** 107**# of Flightlines** 6**Scale** 1:12000**Altitude****Georef/Projected?** No**Mosaic/Index?** No**Comments:**

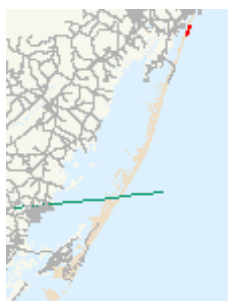

This survey covers Wallops Island, Chincoteague Island and the Virginia portion of Assateague Island National Seashore.

Year 1982**Month** 12**Survey Name** 198201**Photo Type** CIR*Black and White (B/W)**True Color (TC)**Color Infrared (CIR)***# of Photos** 40**# of Flightlines** 2**Scale** 1:24000**Altitude****Georef/Projected?** No**Mosaic/Index?** No**Comments:**

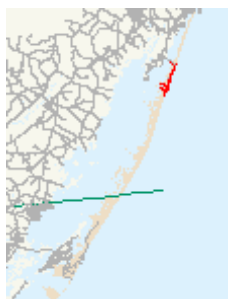

This survey covers the entire length of ASIS. Photo text indicates this survey is missing photos 11 and 12 from flightline # 50. The flightline covering the beach (# 01) has no photo text but appears to have no photos missing.

Year 1983**Month** 1**Survey Name** 198302**Photo Type** CIR*Black and White (B/W)**True Color (TC)**Color Infrared (CIR)***# of Photos** 29**# of Flightlines** 1**Scale** 1:24000**Altitude****Georef/Projected?** No**Mosaic/Index?** No**Comments:**

This survey covers Ocean City, the Maryland portion of Assateague Island and parts of Virginia, Chincoteague Island, and Wallops Island. The Toms Cove area was not included.

Year 1983**Month** 6**Survey Name** 198301**Photo Type** B/W*Black and White (B/W)**True Color (TC)**Color Infrared (CIR)***# of Photos** 29**# of Flightlines** 2**Scale****Altitude****Georef/Projected?** No**Mosaic/Index?** No**Comments:**

This survey covers a very small area of Assateague Island just south of the Ocean City Inlet. Unknown altitude or scale.

Year 1985**Month** 4**Survey Name** 198501**Photo Type** TC*Black and White (B/W)**True Color (TC)**Color Infrared (CIR)***# of Photos** 57**# of Flightlines** 5**Scale** 1:3000**Altitude****Georef/Projected?** No**Mosaic/Index?** No**Comments:**

This survey covers the MD developed area of Assateague Island.

Year 1985**Month** 4**Survey Name** 198502**Photo Type** TC*Black and White (B/W)**True Color (TC)**Color Infrared (CIR)*

No
