

Title: Renew a Research Permit

Summary: Demonstrates process to renew a research permit in cases where you have a multi-year study at a Park

Prerequisite: Log Into RPRS as an Investigator; Sign a Permit

Step 1. Select Permit That Needs to Be Renewed

Go to the Investigator Dashboard and look at the panel labeled “Permits to Renew: Reapply for New Permit”. This panel shows permits that will likely need to be renewed because they expire prior to the date you specified as being the end date of your study.
