

WHAT IF THERE WAS SOMEPLACE SO TRANQUIL THAT WAS AS MUCH AN ESCAPE AS IT WAS A PLAYGROUND? Whether it's bicycling you enjoy—or skiing, boating or swimming—the little oasis of Osceola provides that ideal backdrop for an afternoon, a day or a special weekend away. After some hiking, a walk through our historic downtown or some fishing in our Class II trout stream, you'll find a variety of eateries where you can grab a snack or enjoy a sit-down meal.

HAVE YOU BEEN LOOKING FOR THE PERFECT GETAWAY WHERE YOU CAN KICK BACK AND RELAX? In a setting where time seems to have stood still, guests of Osceola enjoy an afternoon, leisurely strolling through our downtown, or a weekend retreat at one of our bed and breakfasts. Many stay even longer and indulge in our seasonal activities or our annual Wheels and Wings and Community Fair events. Whether a few hours or a weekend, any time spent here makes it easier to spend time out there.

HOW MUCH IS A PLEASANT MEMORY WORTH, ESPECIALLY ONE THAT LASTS A LIFETIME? In the summer and fall seasons, you can travel the scenic route aboard our St. Croix River Railroad. At night, you can enjoy musical and theatrical performances at the Art Barn or watch the Braves hit a homerun at our celebrated Oakey Park. If you're here on July 4th weekend, you won't want to miss our one-of-a-kind fireworks display to celebrate our country's independence. Or you might join the thousands who have "struck a pose" alongside our famous 9-foot statue of Chief Osceola overlooking Cascade Falls.

YOU'RE INVITED STAY OVER AND ENJOY A DAY TO SHOP UNTIL YOU DROP. After a night in one of our bed and breakfasts, discover our enchanting shops with something for everyone, from local crafts galleries and our haven for bike enthusiasts to our celebrated antique shop. And if nature is your desire, choose among our numerous parks, our birding areas and our unmatched panoramic view overlooking the bluffs of the St. Croix River,

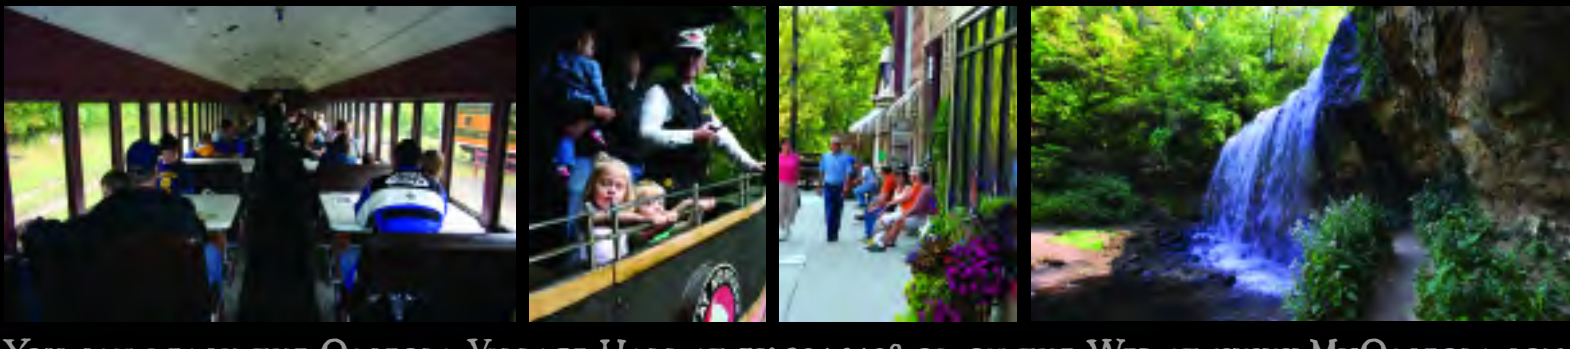

Nestled along the east bank of the St. Croix River lies Osceola, Wisconsin. Visitors comment on the notable tranquility that seems to radiate from this small, pleasant community. Up one block, you'll find restaurants and cafés. Down another street, you'll discover quaint little shops. But wherever you go, there will be welcoming smiles to greet you.

Some come just to experience the natural, 30-foot cascading waterfall that runs through the middle of our village. Or, during the summer and fall seasons, enjoy canoeing on the St. Croix River or a train ride along its scenic shoreline. If you've an eye towards business, you'll find our nearby industrial park a hub of productivity, and it's all easily accessible (and if you're a lover of traveling by air, you can come via our very own airport).

But it's the graciousness and inviting atmosphere that make Osceola so memorable. Some come to visit Osceola for a welcome change of pace. Others find this change of pace a lifestyle that they then call home. Filled with authentic charm and the simple pleasures that life has to offer, Osceola seems to reawaken those sensibilities within anyone lucky enough to visit or relocate here.

What if one place could help you
FORGET
about the rest of the world and
REMEMBER
when life was a simple pleasure?
