Dear Mr. Sullivan:

This is in reply to your letter to Ranger Sperry.

Instead of answering your question on whom the Baptist Church was named after we are enclosing, on a loan basis, a draft research report entitled "Crusade of Brotherhood - The Part of Storer College in the Education of the Negro, 1865 - 1955". This report was written by Bradley D. Nash, a former Park Historian and now Mayor of Harpers Ferry. Mr. Nash will be having the report published sometime in the future. The enclosed report has Part VIII missing but the other parts will give you quite a background on the Freewill Baptist, Storer College and the individuals association with the organizations. Please return the report as soon as you have finished with it.

The home address of the Allens is P. O. Box 111, Harpers Ferry, West Virginia 25425.

We will be looking forward to receiving a copy of your article and if we can be of any further help please contact us.

Sincerely yours,

Dwight E. Stinson, Jr.
Chief Ranger

Dear Reverend Lee:

Mr. Bradley D. Nash recently hand-carried to the park office your letter requesting a copy of his manuscript, Crusade of Brother-Hood, The Part of Storer College in the Education of the Negro, 1865-1955.

We have a copy of the manuscript in the park files, and we can reproduce a copy for you. The manuscript contains 226 pages, and the cost will be five cent per page for a total of \$11.30. Should you decide you would like a reproduced copy, please make your check payable to the Harpers Ferry Historical Association.

I will be going on vacation shortly, but will handle any correspondence received from you during the interim just as soon as I return.

Dear Mr. Nash,

I send greetings to you from North Carolina!

Recently, while in Nashville, Tennessee, I was speaking with Rev. Harold Harrison of the Free Will Baptist Sunday School Department. He showed me the work that you had done on the history of the Free Will Baptist work there. I refer to "Crusade of Brother-Hood The Part of Storer College In The Education of the Negro, 1865-1955." (1974)

I glanced over the work but did not have time to read it. Would it be possible that you have another copy of this work that you could send me? If you do not have one, would it be possible that you might copy it for me? I will be happy to pay the costs thereof.

For several years I have looked into the history of our denomination. I have been to New England twice and have been able to collect a number of helpful and interesting volumes relating to our early work before the merger with the Northern Baptists.

My wife and I would love to visit your area sometime this summer. I would like to make some photographs of the church there and any other historical items relating to our work.

I look forward to hearing from you.

Yours truly,

George C. Lee

Dear Ms. Staubs:

I am returning the manuscript which you were kind enough to let me use some time ago. In moving from one office to another it was unfortunately misplaced, but I am pleased to have found it. Many thanks for having allowed me the privilege to read it.

Sincerely,

Dear Mr. McKinney:

This is in reply to your letter inquiring about the history of Storer College authored by Bradley D. Nash and your wish to either purchase or examine the document.

The park only has a draft copy (chapter VIII missing) but you are more than welcome to review it. We understand that Mr. Nash has made minor revisions to the original draft and is now seeking a publisher. You may wish to contact Mr. Nash for a revised copy or just review the enclosed draft. You may write to Mr. Nash at High Acres, Harpers Ferry, West Virginia 25425. Should you have any comments or recommendations on the study, we feel certain Mr. Nash would be pleased to have an opinion of a former President of Storer College.

Please return the draft after you have finished - it is the park's file copy until the work is published.

Sincerely yours,

Hilda E. Staubs
