Bandelier was able to secure approximately 6400 ponderosa seedlings from a generous unnamed source.

800 planted by Maintenance Division in and around the developed area.

1100 planted by Boy Scouts during Secretary Hodel's visit in August as part of the "Take Pride in America" campaign.

1000 planted temporarily in orchard by volunteers for future projects.

3000 planted by various volunteer groups throughout the summer and fall on Escobas and Burnt Mesas.

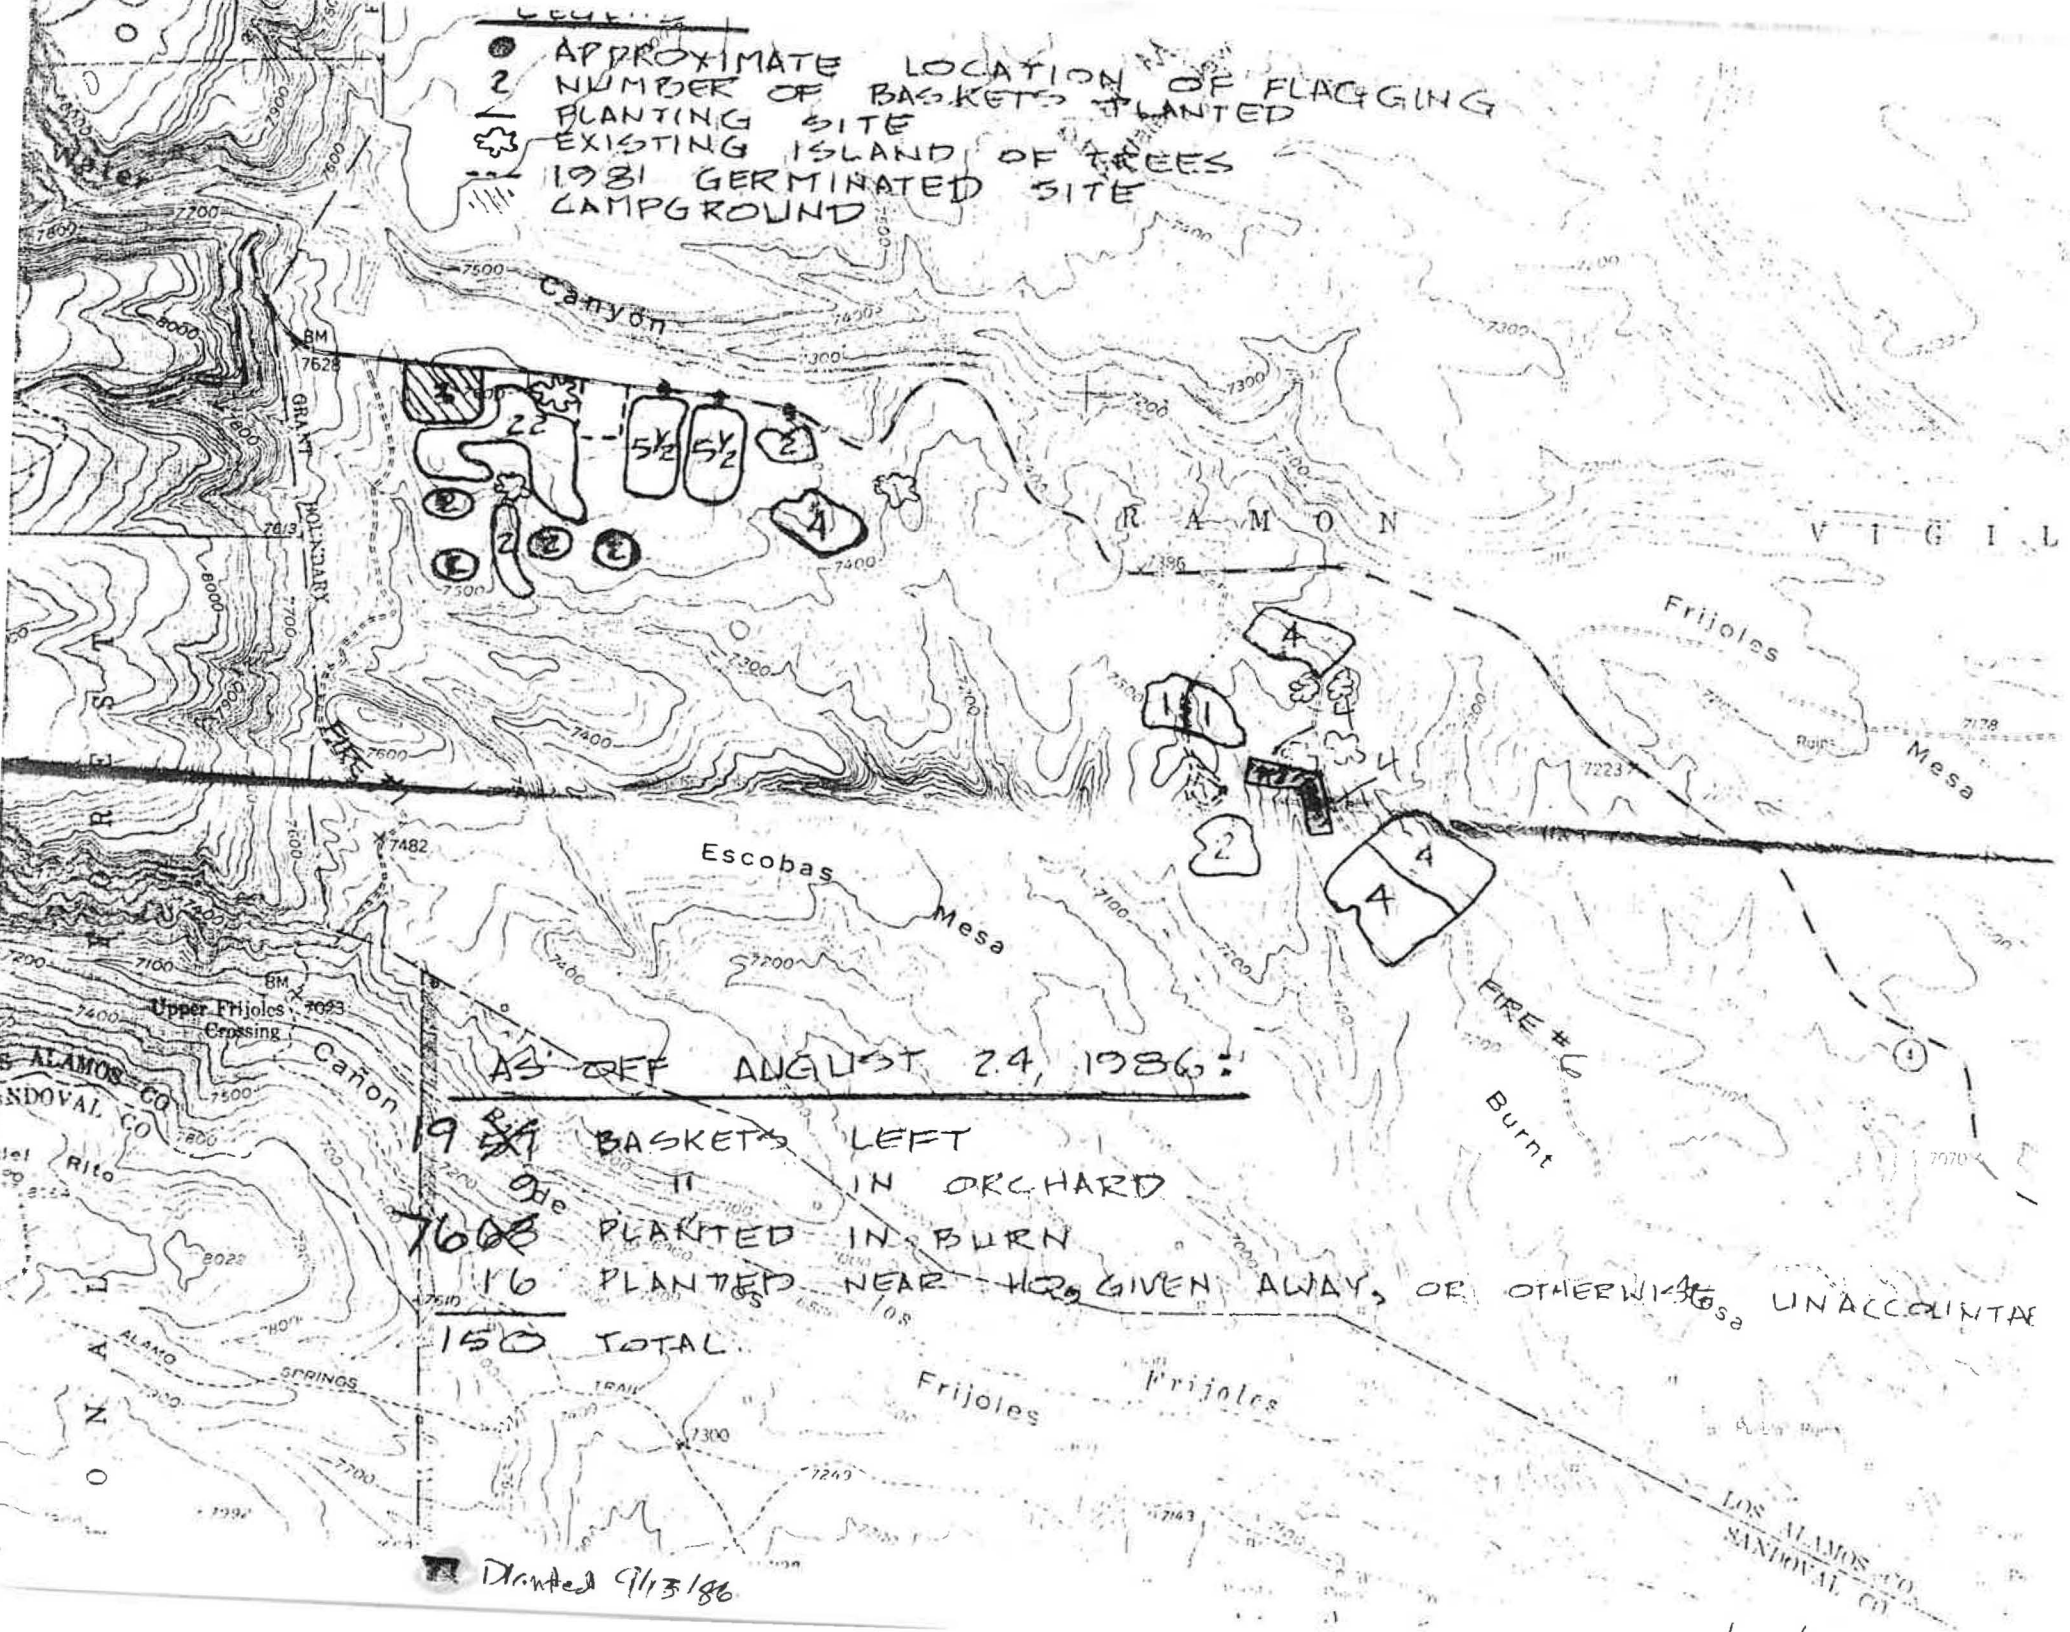

500 unable to plant.

Additional seedlings may be available next summer from our unnamed source, however, at this time we do not anticipate a need.
