

2021 Mojave Desert Network Science Symposium

The Mojave Desert Network is excited to invite you to attend our 2021 Science Symposium to:

- ✓ **Connect you with staff from across the Mojave Desert Network**
- ✓ **Expose important science being conducted across our parks**
- ✓ **Challenge you to learn new things with the hope that it may influence how you are working**

Day 1 - November 16	Day 2 - November 17
<p>10 – WELCOME</p> <p>10:15 Keynote – Resist-Accept-Direct Framework</p> <p>10:45 Breakout Group – Application of RAD</p> <p>11:05 BREAK</p> <p>11:15 Presentation 1 - Monitoring & Modeling Climate Impacts in Joshua Tree National Park</p> <p>11:30 Presentation 2 - New Developments in the Mojave Desert Native Plant Program</p> <p>12PM LUNCH & Meet with the poster presenters (informal)</p> <p>1PM Welcome Back & Afternoon Overview</p> <p>1:15PM Presentation 3 - Science & Partnership Opportunities through the CESUs</p> <p>1:22PM Presentation 4 - Wildlife Impacts from Water Restrictions at Artificial Water Developments</p> <p>1:30PM Presentation 5 - Aquatic Invasive Species Interpretation, Education, & Outreach at Lake Mead National Recreation Area</p> <p>1:45PM Presentation 6 - The Spread of the Novel Noxious Weed Volutaria across Southern California+</p> <p>2PM CLOSE OUT DAY 1 & Meet with the poster presenters</p>	<p>10 – WELCOME</p> <p>10:10 Presentation 7 - Tips for Managing a Project Slightly Outside your Wheelhouse</p> <p>10:25 Presentation 8 - Fighting Erosion (Very Gently): In Situ Fossil Preservation at Tule Springs Fossil Beds National Monument</p> <p>10:40 Presentation 9 - USGS analysis of MOJN Streams & Lakes protocol data</p> <p>11:00 BREAK</p> <p>11:10 Presentation 10 - Bat Monitoring in Mojave Desert Network Parks</p> <p>11:25 Presentation 11 - Continuous Water-level & Seismic Response Monitoring at Devils Hole in Nye County, NV</p> <p>11:40 Presentation 12 - Reproducible Data Science</p> <p>12:00 Presentation 13 - Great Basin Bristlecone & Limber Pine in Great Basin National Park</p> <p>12:15 CLOSING REMARKS</p> <p><i>Learn more about the Symposium on our site ></i></p>
