Gerry,

Just a note to let you know that Michael Adlerstein is submitting an FY92 budget request to establish a Cultural Landscape Program in each region. He is requesting \$560K and 10 FTEs under Category A, Resource Management. This is his 3rd priority (out of 10 in the Park Historic Architecture Division) behind requests for funding for LCS and ICAP.

Michael also said that he would appreciate any support from the regions through including a request in their FY92 submission for this Cultural Landscape initiative.
