CONDITIONS

NOTICE OF ACTIONS

1. If any action or proceeding shall be begun or defense asserted which may result in an adverse judgment or decree resulting in a loss for which this Company is liable under this policy, notice in writing of such action or proceeding or defense shall be given by the Attorney General to this Company within 60 days after notice of such action or proceeding or defense has been received by the Attorney General; and upon failure to give such notice then all liability of this Company with respect to the defect, claim, lien or encumbrance asserted or enforced in such action or proceeding shall terminate. Failure to give notice, however, shall not prejudice the rights of the party insured, (1) if the party insured shall not be a party to such action or proceeding, or (2) if such party, being a party of such action or proceeding be neither served with summons therein or have actual notice of such action or proceeding, or (3) if this Company shall not be prejudiced by failure of the Attorney General to give such notice.

NOTICE OF WRITS

2. In case knowledge shall come to the Attorney General of the issuance or service of any writ of execution, attachment or other process to enforce any judgment, order or decree adversely affecting the title, estate or interest insured said party shall notify this Company thereof in writing within 60 days from the date of such knowledge; and upon a failure to do so, then all liability of this Company in consequence of such judgment, order or decree or matter thereby adjudicated shall terminate unless this Company shall not be prejudiced by reason of such failure to notify.

DEFENSE OF CLAIMS

3. This company agrees, but only at the election and request of the Attorney General of the United States, to defend at its own cost and expense the title, estate or interest hereby insured in all actions or other proceedings which are founded upon or in which it is asserted by way of defense, a defect, claim, lien or encumbrance against which this policy insures, provided, however, that the request to defend is given within sufficient time to permit the company to answer or otherwise participate in the proceeding. If any action or proceeding shall be begun or defense be asserted in any action or proceeding affecting or relating to the title, estate or interest hereby insured and the Attorney General elects to defend at the Government's expense, the Company shall upon request, cooperate and render all reasonable assistance in the prosecution or defense of such proceeding and in prosecuting appeals.

If the Attorney General shall fail to request and permit the Company to defend, then all liability of the Company with respect to the defect, claim, lien or encumbrance asserted in such action or proceeding shall terminate; provided, however, that if the Attorney General shall give the Company timely notice of all proceedings and an opportunity to suggest such defenses and actions as it shall conceive should be taken and the Attorney General shall present the defenses and take the actions of which the Company shall advise him in writing, then the liability of the Company shall continue; but in any event the Company shall permit the Attorney General without cost or expense to use the information and facilities of the Company for all purposes which he thinks necessary or incidental to the defending of any such action or proceeding or any claim asserted by way of defense therein and to the prosecuting of an appeal.

COMPROMISE OF ADVERSE CLAIMS

4. Any compromise, settlement or discharge by the United States or its duly authorized representative of an adverse claim, without the consent of this Company shall bar any claim against the Company hereunder. Provided, however, that the Attorney General may at his election submit to the issuing company for approval or disapproval any proposed compromise, settlement or discharge of any adverse claim and in the event of the consent of the issuing company to the proposed compromise, settlement or discharge it shall be liable for the payment of the full amount paid.

STATEMENT OF LOSS

5. A statement in writing of any loss or damage sustained by the party insured, and for which it is claimed this Company is liable under this policy, shall be furnished by the Attorney General to this Company within 60 days after said party has notice of such loss or damage and no right of action shall accrue under this policy under 30 days after such statement shall have been furnished. No recovery shall be had under this policy unless suit be brought thereon within one year after said period of 30 days. Failure to furnish such statement of loss or to bring such suit within the times specified shall not affect the Company's liability under this policy unless this Company has been prejudiced by reason of such failure to furnish a statement of loss or to bring such suit.

POLICY REDUCED BY PAYMENTS OF LOSS

6. All payments of loss under this policy shall reduce the amount of this policy pro tanto.

ENDORSEMENT

BY THE ATTACHMENT OF THIS ENDORSEMENT to the within Policy,
the undersigned, TRANSAMERICA TITLE INSURANCE COMPANY, does
hereby adopt the within Policy as its own.
