

This list is based largely on Mammals of Maryland, by John paradiso, 1969. All species have been recorded in or immediately adjacent to the park except for those marked with an asterisk, which are probable because of their normal range and habitat preference.

<u>Common Name</u>	<u>Scie tific Name</u>
Opossum	<u>Didelphii marsupialis virainiana</u>
Masked Shrew	<u>Sorex cinereus</u>
* P igmy Shrew	<u>Microsorex hovi winnemana</u>
