COVER: Statue of Liberty National Monument
(One in a series on park memorial structures)

FOREWORD

The National Park Service, a bureau of the Department of the Interior, administers Federally owned scenic, scientific, historic, and recreational areas established by statutory authority for the benefit and enjoyment of the people, and the National Capital Parks, a metropolitan park system comprising over 300 urban and rural park areas located in and around Washington, D. C.

This monthly report contains data reflecting total use by the public of the national parks. Data are in thousands of visits. Statistically, a "visit" is the entry of any person into a national park such that he makes some

use of the services or facilities provided by the National Park Service. "Overnight stays" include park visitors in campgrounds and in commercial accommodations within the parks.

A few parks are excluded from the reporting system for reasons of impracticality of producing consistent or meaningful data, or because the property is not Federally owned. Some units in the Washington, D. C. area are listed separately, although administratively considered parts of National Capital Parks.

FOOTNOTES TO TABLE 2

NO-RPT Report not received before deadline for publication.

* Less than 50 visits or overnight stays.

- 1/ The following areas' first data series started with the month shown in parentheses: Piscataway Park (April 1970), Alibates Flint Quarries NM (January 1971), Guadalupe Mountains NP (January 1971), Fort Stanwix NM (June 1971), Herbert Hoover NHS (July 1971), Redwood NP (July 1971), Wolf Trap Farm Park (July 1971).
- 2/ Data for North Cascades NP, Ross Lake NRA and Lake Chelan NRA are shown combined; no breakdown available.
- 3/ The 1971 Visits figures for these areas are not strictly comparable to the 1970 figures, due to changes in the counting procedures.
- 4/ Area temporarily closed or reports discontinued seasonally.
- 5/ Ford's Theatre NHS, established by Act of Congress in July 1970, includes both units heretofore listed separately as House Where Lincoln Died and Ford's Theatre (Lincoln Museum). Separate figures are shown for all of calendar 1970, to provide a consistent series of data; the 1971 figures eliminate the duplication in these two counts.
- 6/ Inholders' accommodations are no longer included in Overnight Stays reported beginning 1971.
- 7/ Corrected figures for July - November 1971 Visits are reflected in the December cumulative total.
- 8/ Corrected figures for July - November 1971 Overnight Stays are reflected in the December cumulative total.
- 9/ In 1971 Arches and Capitol Reef National Monuments became National Parks by Acts of Congress in November and December, respectively.
