COVER: Park Rangers' training can be very realistic. On this training assignment, two National Park Service Rangers are shown applying a splint to the leg of an injured person in the course of search and rescue activities.
(Sequoia National Park)
One in a series on Park Rangers at work.

FOREWORD

The National Park Service, a bureau of the Department of the Interior, administers Federally owned scenic, scientific, historic, and recreational areas established by statutory authority for the benefit and enjoyment of the people, and the National Capital Parks, a metropolitan park system comprising over 300 urban and rural park areas located in and around Washington, D. C.

This monthly report contains data reflecting total use by the public of the national parks. Data are in thousands of visits. Statistically, a "visit" is the entry of any person into a national park such that he makes some

use of the services or facilities provided by the National Park Service. "Overnight stays" include park visitors in campgrounds and in commercial accommodations within the parks.

A few parks are excluded from the reporting system for reasons of impracticality of producing consistent or meaningful data, or because the property is not Federally owned. Some units in the Washington, D. C. area are listed separately, although administratively considered parts of National Capital Parks.

FOOTNOTES TO TABLE - 2

* Less than 50 visits or overnight stays.

- 1/ Cumulative totals for 1970 are not comparable with those for 1969, due to the following areas' first data series having started with the month shown in parentheses: Delaware Water Gap NRA (April 1969), Fort Bowie NHS (May 1969), John Fitzgerald Kennedy NHS (June 1969), Saugus Iron Works NHS (July 1969), Chesapeake & Ohio Canal NM (January 1970), Lyndon B. Johnson NHS (January 1970), North Cascades NP--including Lake Chelan NRA and Ross Lake--(January 1970), Ozark NSR (January 1970), Theodore Roosevelt Island (January 1970), Piscataway Park (April 1970).
- 2/ Data for North Cascades NP, Ross Lake NRA and Lake Chelan NRA are shown combined; no breakdown available.
- 3/ The 1970 Visits figures for these areas are not strictly comparable to the 1969 figures, due to changes in the counting procedures. This applies also to Overnight Stays for Fort Jefferson NM only.
- 4/ Area temporarily closed or reports discontinued seasonally.
- 5/ George Washington Memorial Parkway figures for 1969 exclude Theodore Roosevelt Island, which is now listed as a separate area.
- 6/ Ford's Theatre NHS, established by Act of Congress in July 1970, includes both units heretofore listed separately as House Where Lincoln Died and Ford's Theatre (Lincoln Museum). Separate figures are being shown for the balance of calendar 1970, to provide a consistent series of data.
- 7/ Adjustments have been made to correct minor errors reflected in the reports previously published for the months of July through November 1970.
